MCDs, and changes to the boundaries of counties, incorporated municipalities, and MCDs. The survey provides accurate identification of geographic areas for the decennial and economic censuses and support for the annual population estimates program. It is also used to update the municipal, MCD, and county inventory for the Federal Information Processing Standards (FIPS) program at the U.S. Geological Survey and the National Institute of Standards and Technology. Other Federal Agencies use BAS results in their legislative programs. This request is for a revision only to the universe of respondents to the BAS. We are increasing the number to support the economic and decennial census.

Affected Public: State, local or tribal government.

Frequency: Annually.

Respondent's Obligation: Voluntary.
