Office of Postsecondary Education; Federal Work-Study Programs

AGENCY: Department of Education.

ACTION: Notice of the closing date for institutions to submit a request for a waiver of the requirement that an institution shall use at least 5 percent of the total amount of its Federal Work-Study (FWS) Federal funds granted for the 1995-96 award year to compensate students employed in community service jobs.

SUMMARY: The Secretary gives notice to institutions of higher education of the deadline for an institution to submit a written request for a waiver of the statutory requirement that an institution shall use at least 5 percent of its total FWS Federal funds granted for the 1995-96 award year (July 1, 1995 through June 30, 1996) to compensate students employed in community service jobs.

DATES: *Closing Date for submitting a Waiver Request and any Supporting Information or Documents.* An institution that would like to request a waiver of the requirement that an institution use at least 5 percent of the total amount of its FWS Federal funds granted for the 1995-96 award year to compensate students employed in community service jobs, must mail or hand-deliver its waiver request and any supporting information or documents on or before October 20, 1995. The Department will not accept a waiver request submitted by facsimile

transmission. The waiver request must be submitted to the Institutional Financial Management Division at one of the addresses indicated below.

ADDRESSES: *Waiver Request and any Supporting Information or Documents Delivered by Mail.* The waiver request and any supporting information or documents delivered by mail must be addressed to Ms. Carolyn Short, Fiscal Program Specialist, Campus-Based Financial Operations Branch, Institutional Financial Management Division, Accounting and Financial Management Service, Student Financial Assistance Programs, U.S. Department of Education, 600 Independence Avenue SW., (Room 4714, ROB-3), Washington, D.C. 20202-5458.

An applicant must show proof of mailing its waiver request by October 20, 1995. Proof of mailing consist of one of the following: (1) A legible mail receipt with the date of mailing stamped by the U.S. Postal Service, (2) a legibly dated U.S. Postal Service postmark, (3) a dated shipping label, invoice, or receipt from a commercial carrier, or (4) any other proof of mailing acceptable to the U.S. Secretary of Education.

If a waiver request is sent through the U.S. Postal Service, the Secretary does not accept either of the following as proof of mailing: (1) A private metered postmark, or (2) a mail receipt that is not dated by the U.S. Postal Service. An institution should note that the U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, an institution should check with its local post office. An institution is encouraged to use certified or at least first-class mail. Institutions that submit waiver requests and any supporting information or documents after the closing date will not be considered for a waiver.

Waiver Requests and any Supporting Information or Documents Delivered by Hand. A waiver request and any supporting information or documents delivered by hand must be taken to Ms. Carolyn Short, Fiscal Program Specialist, Campus-Based Financial Operations Branch, Institutional Financial Management Division, Accounting and Financial Management Service, Student Financial Assistance Programs, U.S. Department of Education, Room 4714, Regional Office Building 3, 7th and D Streets, S.W., Washington, D.C.

Hand-delivered waiver requests will be accepted between 8:00 a.m. and 4:30 p.m. daily (Eastern time), except Saturdays, Sundays, and Federal holidays. A waiver request for the 1995-96 award year that is hand-delivered

will not be accepted after 4:30 p.m. on October 20, 1995.

SUPPLEMENTARY INFORMATION: Under section 443 (b)(2)(A) of the Higher Education Act of 1965, as amended (HEA), an institution must use at least 5 percent of the total amount of its FWS Federal funds granted for an award year to compensate students employed in community service, except that the Secretary may waive this requirement if the Secretary determines that enforcing it would cause hardship for students at the institution. The institution must provide a written waiver request and any supporting information or documents by the established October 20, 1995 closing date.

The waiver request must be signed by an appropriate institutional official and above the signature the official must include the statement: "I certify that the information the institution provided in this waiver request is true and accurate to the best of my knowledge. I understand that the information is subject to audit and program review by representatives of the Secretary of Education." If the institution submits a waiver request and any supporting information or documents after October 20, 1995, the request will not be considered.

To receive a waiver, an institution must demonstrate that complying with the 5 percent requirement would cause hardship for students at the institution. To allow flexibility to consider factors that may be valid reasons for a waiver, the Secretary is not specifying specific circumstances that would support granting a waiver. However, the Secretary does not foresee many instances in which a waiver will be granted. The fact that it may be difficult for the institution to comply with this provision of the HEA is not a basis for granting a waiver.
