Public Health Service

Proposed Data Collections Available for Public Comment and Recommendations

In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 for opportunity for public comment on proposed data collection project, the Office of the Assistant Secretary for Health publishes periodic summaries of proposed projects. To request more information on the proposed project or to obtain a copy of the data collection plans and instruments, call Kathryn Lotfi on (301) 443-2006.

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project

Application Packets for Real Property for Public Health Purposes—0937-0191—Revision—The Department of Health and Human Service administers a program to convey or lease surplus real property to States and their political subdivisions and instrumentalities, to tax-supported institutions, and to nonprofit institutions to be used for health purposes. State and local governments and non-profit organizations use these applications to apply for excess/surplus, under-utilized/unutilized and off-site Government real property. Information in the application is used to determine eligibility to purchase, lease, or use property under the provisions of the surplus property program. The Environmental information form, used to evaluate potential environmental

effects of a proposal as required by the National Environmental Policy Act of 1969, is being revised to provide factual data to support the response to each question and to leave no doubt about what conditions or adverse effects are being considered as well as to make it more user friendly. Respondents: State, Local or Tribal Government, Not-for-profit institutions; Annual Number of Respondent: 114; Number of Responses per Respondent: 1; Average Burden per Response: 200 hours; Estimated Annual Burden: 22,800 hours. Send comments to Kathryn Lotfi, Office of General Counsel, Room 4A-53, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857. Written comments should be received within 60 days of this notice.

Dated: September 6, 1995.

James Scanlon,

Director, Data Policy Staff Office of the Assistant Secretary for Health and PHS, Reports Clearance Officer.
