### Coordinated Services Projects

**AGENCY:** Department of Education.

**ACTION:** Notice of application availability and waiver of reporting requirement for coordinated services projects.

**SUMMARY:** The U.S. Secretary of Education (Secretary) announces the availability of applications to use Elementary and Secondary Education Act (ESEA) funds for coordinated services projects under section 14206(b) and Title XI of the ESEA. In addition,

the Secretary announces the waiver of an annual reporting requirement that otherwise would apply to these projects. **SUPPLEMENTARY INFORMATION:** Title XI of the ESEA offers local educational agencies (LEAs), schools, and groups of schools, the opportunity to use up to five percent of their ESEA funds in any fiscal year for a coordinated services project. Coordinated services projects link public and private agencies with schools to improve the access of elementary and secondary students and their families to health and social services through a coordination site at or near a school.

Coordinated services projects provide a mechanism for helping children and their families address factors outside the classroom such as inadequate or substandard nutrition, health care, and living conditions that can adversely affect the ability of a child to learn. Funds may be used to develop, implement, or expand a coordinated services project. Funds may not be used for the direct provision of any health or health-related service.

**DEFINITION:** The term "coordinated services project" is defined by the statute as "a comprehensive approach to meeting the educational, health, social service, and other needs of children and their families, including foster children and their foster families, through a community-wide partnership that links public and private agencies providing such services or access to such services through a coordination site at or near a school."

**ELIGIBLE APPLICANTS:** Applications for a coordinated services project may be submitted to the Secretary by an LEA, or if there is no governing LEA, by an individual school or group of schools.

**WAIVER OF REPORTING REQUIREMENT:** Under the Education Department General Administrative Regulations (EDGAR), an applicant generally must submit an annual performance report to the Department. (See 34 CFR §§ 74.51, 75.720, and 80.40.) However, in the interest of reducing burden at the local level, the Secretary has determined that a performance report is unnecessary for the first year and third year of the implementation or expansion of a coordinated services project, and therefore waives that requirement for the first and third years. This waiver is in accordance with the Secretary's authority under these regulations.

**FOR APPLICATIONS OR INFORMATION CONTACT:** Jeanne Jehl, Office of Elementary and Secondary Education, U.S. Department of Education, 600 Independence Avenue, SW (Portals Building-Room 604), Washington, D.C.
