Agency Form Under Review by the Office of Management and Budget

DOC has submitted to the Office of Management and Budget (OMB) for clearance the following proposal for collection of information under the provisions of the Paperwork Reduction Act (44 U.S.C. chapter 35).

Agency: Bureau of the Census.

Title: 1996 Integrated Coverage Measurement (ICM) Activities.

Form Number(s): CAPI Instrument, DT-1301, DT-1320, DT-1309(L), DT-1314, DT-1315, DT-1340, DT-1377.

Agency Approval Number: None.

Type of Request: New collection.

Burden: 8,541 hours.

Number of Respondents: 18,000.

Avg Hours Per Response: 11 minutes.

Needs and Uses: The Census Bureau requests OMB approval of the various activities and instruments associated with conducting ICM research in two planned tests -- the 1996 ICM Special Test and the 1996 American Indian Reservation Test. The potential ICM activities consist of an independent listing including a quality assurance advance listing, a housing unit followup interview including quality assurance and evaluation interviews, a person and group quarters interview including quality assurance and evaluation interviews, an outmover tracing interview including an evaluation interview, and a dual system estimation followup interview including an evaluation interview. Prompted by the need to improve statistical methodology for estimating population coverage during the decennial census, the Bureau of the Census developed the ICM approach. The ICM approach was first tested in the 1995 Census Test. Results of that test are still under analysis. After completing review of the 1995 ICM results, we may determine that some of these operations, quality control measures, or evaluations are not needed.

Affected Public: Individuals or households.

Frequency: One time only.

Respondent's Obligation: Mandatory.

OMB Desk Officer: Maria Gonzalez, (202) 395-7313.

Copies of the above information collection proposal can be obtained by calling or writing Gerald Taché, DOC Forms Clearance Officer, (202) 482-3271, Department of Commerce, Room 5312, 14th and Constitution Avenue, NW, Washington, DC 20230.

In accordance with sections 353.22(a)
 and 355.22(a) of the regulations, an
 interested party as defined by section
 353.2(k) may request in writing that the
 Secretary conduct an administrative
 review. The Department has changed its
 requirements for requesting reviews for
 countervailing duty orders. Pursuant to
 19 C.F.R. 355.22(a) of the Department's
 Interim Regulations (60 FR 25137 (May
 11, 1995)), an interested party must
 specify the individual producers or
 exporters covered by the order for
 which they are requesting a review.
 Therefore, for both antidumping and
 countervailing duty reviews, the
 interested party must specify for which
 individual producers or exporters
 covered by an antidumping finding or
 an antidumping or countervailing duty
 order it is requesting a review, and the
 requesting party must state why it
 desires the Secretary to review those
 particular producers or exporters. If the
 interested party intends for the

Secretary to review sales of merchandise
 by an exporter (or a producer if that
 producer also exports merchandise from
 other suppliers) which were produced
 in more than one country of origin, and
 each country of origin is subject to a
 separate order, then the interested party
 must state specifically, on an order-by-
 order basis, which exporter(s) the
 request is intended to cover.

Seven copies of the request should be
 submitted to the Assistant Secretary for
 Import Administration, International
 Trade Administration, Room B-099,
 U.S. Department of Commerce,
 Washington, D.C. 20230. The
 Department also asks parties to serve a
 copy of their requests to the Office of
 Antidumping Compliance, Attention:
 Pamela Woods, in room 3065 of the
 main Commerce Building. Further, in
 accordance with section 353.31(g) or
 355.31(g) of the regulations, a copy of
 each request must be served on every
 party on the Department's service list.

The Department will publish in the
Federal Register a notice of "Initiation
 of Antidumping (Countervailing) Duty
 Administrative Review," for requests
 received by September 30, 1995. If the
 Department does not receive, by
 September 30, 1995, a request for review
 of entries covered by an order or finding
 listed in this notice and for the period
 identified above, the Department will
 instruct the Customs Service to assess
 antidumping or countervailing duties on
 those entries at a rate equal to the cash
 deposit of (or bond for) estimated
 antidumping or countervailing duties
 required on those entries at the time of
 entry, or withdrawal from warehouse,
 for consumption and to continue to
 collect the cash deposit previously
 ordered.

This notice is not required by statute,
 but is published as a service to the
 international trading community.

Dated: September 6, 1995.

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.

DEPARTMENT OF DEFENSE

Department of the Army

Finding of No Significant Impact for the Environmental Assessment for Disposal of the Woodbridge Research Facility, Woodbridge, VA

AGENCY: Department of the Army, DOD.

ACTION: Notice of availability.

SUMMARY: In August 1994, Public Law (PL), 103-307, Provision 128 (Military Construction Appropriations Act, 1995), was signed, mandating the transfer of the Woodbridge Research Facility (WRF) property in its entirety to the Department of the Interior (DOI). Under DOI, the U.S. Fish and Wildlife Service (USFWS) will be the managing agency for the property.

The Environmental Assessment (EA) evaluates the environmental effects associated with the disposal of the WRF property to the USFWS. There would be no significant impacts in connection with either of the alternatives addressed in the EA. The No Action Alternative refers to continuation of existing conditions of Caretaker Status, without implementation of the proposed action. The No Action Alternative is only possible if Congress were to take additional action to repeal or direct a different disposition from that which is currently directed under Pub. L. 103-307.

The Preferred Alternative is the disposal of the 580-acre WRF property, which incorporates the transfer of the property in its entirety to the USFWS. The existing buildings may be used for agency environmental education programs and offices. USFWS states that they will manage the property as a refuge, continue the hunting programs, and promote environmental education programs.

It has been determined that implementation of the proposed action (disposal) would have no significant

impact on the quality of the natural or human environment. Transfer to the USFWS would provide for the further enhancement of the natural resources at the WRF property. Accordingly, an Environmental Impact Statement will not be prepared.

DATES: Inquiries will be accepted by no later than October 12, 1995.

ADDRESSES: For further information on the Environmental Assessment or this Finding of No Significant Impact (FNSI), write to Maria dela Torre, U.S. Army Corps of Engineers, Baltimore District, ATTN: CENAB-PL-EM, P.O. Box 1715, Baltimore, Maryland 21203-1715.

Dated: September 6, 1995.

Board of Visitors to the United States Naval Academy; Closed Meeting

Pursuant to the provisions of the Federal Advisory Committee Act (5 U.S.C. App. 2), notice is hereby given that the Board of Visitors to the United States Naval Academy will meet on 2 October 1995, at Alumni Hall, United States Naval Academy, Annapolis, MD, at 8:30 a.m. The executive session of this meeting from approximately 8:30 a.m. to 10:00 a.m. will be closed to the public. Following executive session the remainder of the meeting will be opened to the public.

The purpose of the meeting is to make such inquiry as the Board shall deem necessary into the state of morale and discipline, the curriculum, instruction, physical equipment, fiscal affairs, and academic methods of the Naval Academy. Accordingly, the Secretary of the Navy has determined in writing that the executive session portion of the meeting shall be closed to the public because they will be concerned with matters as outlined in section 552(b)(2), (5), (6), and (7) of Title 5, United States Code.
