

subsequent alteration of the moisture conditions would probably lead to extirpation of *Arenaria cumberlandensis* from the timbered area. Habitat protection, searches for new populations, the implementation of appropriate management actions, and the preservation of genetic material are the major objectives of this recovery plan.

Public Comments Solicited

The Service solicits written comments on the recovery plan described. All comments received by the date specified above will be considered prior to approval of the plan.

Authority: The authority for this action is Section 4(f) of the Endangered Species Act, 16 U.S.C. 1533(f).

Dated: September 8, 1995.

Robert R. Currie,

Acting Field Supervisor.

Minerals Management Service

Information Collection Submitted to the Office of Management and Budget (OMB) for Review Under the Paperwork Reduction Act

The proposal for the collection of information listed below has been submitted to OMB for approval under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35). Copies of the proposed collections of information and related forms may be obtained by contacting the Bureau's Clearance Officer at the telephone number listed below. Comments and suggestions on the proposal should be made directly to the Bureau Clearance Officer and to the Office of Management and Budget; Paperwork Reduction Project (1010-0046); Washington, D.C. 20503, telephone (202) 395-7340, with copies to Chief, Engineering and Standards Branch; Mail Stop 4700; Minerals Management Service; 381 Elden Street; Herndon, Virginia 22070-4817.

Title: Well Summary Report, Form MMS-125.

OMB Approval Number: 1010-0046.

Abstract: Respondents submit Form MMS-125 to the Minerals Management Service's (MMS) District Supervisors to be evaluated and approved or disapproved for the adequacy of the equipment, materials, and/or procedures which the lessee plans to use to safely perform drilling, well-completion, well-workover, and well-abandonment operations.

This form is necessary to enable MMS to ensure safety of operations; protection of the human, marine, and coastal environments; conservation of the natural resources in the Outer Continental Shelf (OCS); prevention of waste; and protection of correlative rights with respect to oil, gas, and sulphur operations in the OCS.

Bureau Form Number: Form MMS-125.

Frequency: On occasion.

Description of Respondents: OCS oil, gas, and sulphur lessees.

Annual Burden Hours: 2,579.

Bureau Clearance Officer: Arthur Quintana, (703) 787-1239.

Dated: August 9, 1995.

Henry G. Bartholomew,

Deputy Associate Director for Operations and Safety Management.

BILLING CODE 4310-MR-M

National Park Service

NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION REVIEW COMMITTEE: MEETING

AGENCY: National Park Service, Department of the Interior

ACTION: Notice of meeting of the Native American Graves Protection and Repatriation Review Committee, Correction

This notice corrects the notice published in the Federal Register on May 31, 1995.

A meeting of the Native American Graves Protection and Repatriation Act Review Committee will be held on October 16, 17, and 18, 1995, in Anchorage, Alaska. The notice published May 31st stated the final day of the meeting may be held in the Eagan Center, Anchorage, AK, in conjunction with the Alaska Federation of Natives annual convention. The location for the final day of the meeting has been changed to the Chart Room in the Anchorage Hilton, 500 West 3rd Avenue, Anchorage, Alaska, 99510-9953. This does not affect the location for the first two days of the meeting which will be held in the Dillingham Room in the Anchorage Hilton, as stated in the earlier notice.

The notice published May 31st stated that comments to the Committee's draft recommendations regarding the disposition of culturally unidentifiable human remains in museums and Federal collections and public comment and discussion of the statute's application in Alaska would be on the meeting's agenda. The agenda has been expanded to include the Committee's review of written evidence on two disputes: the first dispute involves the Oneida Tribe of Indians of Wisconsin, the Oneida Indian Nation, and the Field Museum of Natural History. The second dispute involves Betty J. Washburn and Charles Junkerman, representatives of Chief Satanta (White Bear) Descendants, the University of California, Berkeley, and the Phoebe A. Hearst Museum of Anthropology.

The meeting will be open to the public. However, facilities and space for accommodating members of the public are limited. Persons will be accommodated on a first-come, first-

served basis. Due to the presence of Alaska Federation of Natives delegates, hotel rooms in Anchorage may be scarce. Any member of the public may file a written statement concerning the matters to be discussed with Dr. Francis P. McManamon, Departmental Consulting Archeologist.

Persons wishing further information concerning this meeting, or who wish to submit written statements may contact Dr. Francis P. McManamon, Departmental Consulting Archeologist, Archeological Assistance Division, National Park Service, P.O. Box 37127-suite 210, Washington, DC 20013-7127, Telephone (202) 343-4101. Draft summary minutes of the meeting will be available for public inspection about eight weeks after the meeting at the office of the Departmental Consulting Archeologist, room 210, 800 North Capital Street, Washington, DC.

Dated: September 7, 1995

Veletta Canouts,

Acting Departmental Consulting Archeologist and Acting Chief, Archeology and Ethnography Program.
