**Tennessee Gas Pipeline Co.; Notice of Request Under Blanket Authorization**

September 8, 1995.

Take notice that on September 1, 1995, Tennessee Gas Pipeline Company (Tennessee), P.O. Box 2511, Houston, Texas 77252, file in Docket No. CP95-726-000 a request pursuant to §§ 157.205 and 157.212 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.212) for authorization to operate three (3) existing delivery point facilities, that were initially constructed under Section 311(a) of the Natural Gas Policy Act of 1978 (NGPA), under Tennessee's blanket certificate issued in Docket No. CP82-413-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that

is on file with the Commission and open to public inspection.

Tennessee states that it has recently constructed three delivery points under Section 311(a) of the NGPA for use in the transportation of natural gas under Subpart B of Part 284 of the Commission's Regulations. Tennessee further states that granting of the requested authorization will enable Tennessee to fully utilize these facilities for all transportation services, pursuant to Section 311 of the NGPA and Section 7 of the Natural Gas Act and will increase the transportation options of customers on Tennessee's system.

It is stated that delivery volumes through the existing delivery points would not impact Tennessee's peak day and annual deliveries; that the proposed activity is not prohibited by its existing tariff; and that Tennessee has sufficient capacity to accommodate the changes proposed herein without detriment or disadvantage to Tennessee's other customers.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to § 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
