SECURITIES AND EXCHANGE COMMISSION

Forms Under Review by Office of Management and Budget

Agency Clearance Officer: Michael E. Bartell, (202) 942-8800.

Upon written request copy available from: Securities and Exchange Commission, Office of Filings and Information Services, Washington, D.C. 20549.

Extensions:

Form N-8A—File No. 270-135
Rule 6c-6—File No. 270-160
Proposed Rule 0-5—File No. 270-378

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1980 (44 U.S.C. §§ 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted requests for approval of extension for the following:

Form N-8A is the form that investment companies file with the Commission pursuant to Section 8(a) of the Investment Company Act of 1940 ("1940 Act"), which provides that an investment company may register by filing with the Commission a notification of registration. It is estimated that 610 respondents file form N-8A annually. The form requires approximately one hour of reporting per respondent annually.

Rule 6c-6 continues exemptive relief granted by Commission order to certain investment companies that responded to Internal Revenue Service Revenue Ruling 81-225 (September 25, 1981) by organizing new companies and substituting them for existing companies without prior Commission approval. No respondents incur a burden complying with the rule.

Proposed Rule 0-5 under the 1940 Act would establish an expedited review procedure for certain exemptive applications filed by registered investment companies with the Commission. It is estimated that 60 respondents may expend an estimated 300 total burden hours annually meeting the proposed requirements for receiving expedited review of their exemptive applications.

General comments regarding the estimated burden hours should be directed to the OMB Clearance Officer at the address below. Any comments concerning the accuracy of the estimated average burden hours for compliance with Commission rules and forms should be directed to Michael E. Bartell, Associate Executive Director, Office of Information Technology, Securities and Exchange Commission, 450 Fifth Street, N.W., Washington, D.C. 20549 and Clearance Officer, Project Numbers: 3235-0175 (Form N-8A), 3235-0245 (Rule 6c-6), and 3235-0432 (Proposed Rule 0-5), Office of Management and Budget, Room 3208, New Executive Office Building, Washington, D.C. 20503.

Dated: September 11, 1995.

Deputy Secretary.

Changes and Corrections to EDGAR Phase-In List

AGENCY: Securities and Exchange Commission.

ACTION: Notice.

SUMMARY: The Commission is publishing a list of changes and corrections to the EDGAR phase-in list for companies whose filings are processed by the Division of Corporation Finance.

FOR FURTHER INFORMATION CONTACT: Sylvia J. Reis, Assistant Director, CF EDGAR Policy, Division of Corporation Finance at (202) 942-2940.

SUPPLEMENTARY INFORMATION: In connection with the adoption of the final rules fully implementing the Electronic Data Gathering, Analysis, and Retrieval ("EDGAR") system, on December 19, 1994 the Commission published a list of companies whose filings are processed by the Division of Corporation Finance to place registrants on notice as to when they would become subject to mandated electronic

filing.¹ The registrants were divided into ten groups, all of which will be phased in by May 1996. Rule 901 of Regulation S-T² provides that registrants may request a change to their assigned phase-in dates. Such requests may be granted pursuant to delegated authority. In addition, modifications are made to the list to reflect name changes, corporate restructurings, the addition of new entities, and similar factors.

Changes to the Division of Corporation Finance phase-in list are published from time to time in the SEC News Digest. The Commission today is publishing a comprehensive list of all changes in the Division of Corporation Finance phase-in group assignments made since the phase-in list was published in December 1994. This publication supersedes the last comprehensive list of changes published in the Federal Register on

April 12, 1995 (Securities Act Release No. 7156). This procedure will be repeated from time to time, in order to further notify the public of changes to the list. A change to a company's phase-in date is of particular importance to persons or entities filing documents with respect to that company, since generally such persons must file electronically with the company become subject to mandated electronic filing.³

¹ See Release No. 33-7122 (December 19, 1994) [59 FR 67752]. The timing for each phase-in group was included in that release as Appendix A, and the phase-in list as Appendix B. As is true with all rules of the Commission, persons making filings with the Commission are responsible for apprising themselves of their new obligations associated with filing on the EDGAR system. While the Commission

attempts to contact registrants in each phase-in group by furnishing a copy of the EDGAR Filer Manual and EDGARLink software prior to phase-in, filers will not be relieved of their electronic filing obligations in the absence of such notification.

² 17 CFR 232.901.

³ Rule 901(b) provides that a party making a filing pursuant to Section 13 or 14 of the Securities

Exchange Act of 1934 [15 U.S.C. 78m or 78n, respectively] with respect to a registrant that has become subject to mandated electronic filing is required to submit that filing in electronic format. Consequently, persons filing a Schedule 13D or 13G, a proxy statement, or tender offer material with respect to an electronic filer are required to make such filings electronically.

Self-Regulatory Organizations; New York Stock Exchange, Inc.; Order Granting Approval to Proposed Rule Change Relating to Amendments to Rules 600 (Arbitration), 619 (General Provision Governing Subpoenas, Production of Documents, etc.), 629 (Schedule of Fees), and 637 (Failure to Honor Award)

September 13, 1995.

On June 26, 1995, the New York Stock Exchange, Inc. ("NYSE" or "Exchange") submitted to the Securities and Exchange Commission ("SEC" or "Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to adopt certain arbitration procedures.

The proposed rule change was published for comment in the Federal Register on July 26, 1995.³ No comments were received on the proposal.

³ Securities Exchange Act Release No. 36001 (July 20, 1995), 60 FR 38389.

As described more fully below, the Exchange has proposed amendments to its arbitration procedures that were developed primarily by the Securities Industry Conference on Arbitration.⁴

The Commission has reviewed carefully the NYSE's proposed rule changes and concludes that the proposed changes are consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange, and, in particular, with the requirements of Section 6(b).⁵ The Exchange proposes to amend NYSE Rules 600 (Arbitration), 619 (General Provision Governing Subpoenas, Production of Documents, etc.) 629 (Schedule of Fees), and 637 (Failure to Honor Award).⁶

NYSE Rule 600(d)(iii) currently bars members, allied members, member

⁴ NYSE Rule 600(d)(iii) corresponds to Securities Industry Conference on Arbitration Uniform Code of Arbitration ("SICA UCA") Section 1(d)(iii) (as amended Jan. 20, 1994); NYSE Rule 619(c) corresponds to SICA UCA Section 20(c) (as amended Jan. 7, 1993 and Oct. 21, 1994); NYSE Rule 629(e) corresponds to SICA UCA Section 30(e) (as amended Oct. 21, 1994).

⁵ 15 U.S.C. 78f(b).

⁶ The Commission notes that it has approved some of the proposals contained in this filing previously for another self-regulatory organization. See Securities Exchange Act Release Nos. 35525 (Mar. 23, 1995), 60 FR 16219 (increasing the NASD's prehearing document exchange deadline from 10 days to 20 days before the arbitration hearing); 35167 (Dec. 28, 1994), 60 FR 1816 (unifying the NASD's nonrefundable filing fee for industry parties at \$500); 33939 (Apr. 20, 1994), 59 FR 22032 (excluding all class action claims from NASD arbitration).

organizations, and associated persons from seeking to enforce an agreement to arbitrate against a customer where the customer has initiated in court a putative class action or is a member of a putative or certified class with respect to any claims encompassed by the class action. The rule, however, omits specific reference to claims filed by members, allied members, member organizations, and associated persons against other members, allied members, member organizations, and associated persons. This proposed amendment clarifies that all class actions, including claims involving members, allied members, member organizations, and associated persons, are ineligible for submission to the Exchange's arbitration facility.

The Commission finds that the proposed amendment to NYSE Rule 600(d)(iii) is consistent with the Section 6(b)(5)⁷ requirements that the rules of an exchange be designed to promote just and equitable principles of trade, prevent unfair discrimination between customers, issuers, brokers, or dealers, and, in general, protect investors and the public. Over the years, the courts have developed procedures and expertise for managing class action litigation and duplicating the often complex procedural safeguards necessary for these lawsuits is unnecessary. In addition, access to the courts for class action litigation should be preserved for claims filed by
