that would be implemented over the next 10–15 years.

This Draft GMP/DCP/EIS describes and analyzes alternatives for the Pecos and Glorieta units of Pecos National Historical Park. Proposed action and noaction alternatives have been developed for each unit. In addition to the proposed action and no-action alternatives, two additional action alternatives have been developed for the Pecos unit; and one additional action alternative has been identified for the Glorieta unit. These alternatives propose future management and use options for the newly established Pecos National Historical Park. Under Pecos Unit Alternative A (no action), present use and management would continue. The primary interpretive focus would continue to be at the Pecos Pueblo/ mission ruins complex, and no new visitor facilities would be developed. Under Pecos Unit Alternative B (the proposed action), two visitor staging areas would be developed-the Fogelson visitor center area and Kozlowski's Stage Stop. New visitor facilities would include trails and trailheads and interpretive exhibits. Under Pecos Unit Alternative C, three visitor staging areas would be developed-the Fogelson visitor center, Kozlowski's Stage Stop, and the Gateway overlook. Staging areas and associated facilities would have easy vehicle access. Under Pecos Unit Alternative D, visitors would enter the park from the south; and a new visitor center would be developed at the Gateway overlook area. Other visitor facilities would continue to be provided at Kozlowski's Stage Stop and the Fogelson visitor center. Under Glorieta Unit Alternative 1 (no-action), no new facilities would be provided. Glorieta Unit Alternative 2 (proposed action) would incorporate a staffed visitor contact facility and interpretive trails and exhibits at Pigeon's Ranch and an exterior interpretive exhibit at a pulloff overlooking Cañoncito. Glorieta Unit Alternative 3 would incorporate the same facilities as Alternative 2; however, the staffed contact station would be at a different location. The major impact topics assessed for the proposals and the alternatives are cultural and natural resources and the socioeconomic environment, including the local economy and National Park Service operations.

This Draft GMP/DCP/EIS was prepared in order to evaluate a range of alternatives and an assessment of impacts of these alternatives and to provide the public with an opportunity to comment. This document will be on public review for 60 days. The park would appreciate any comments on these alternatives or other ways to manage the park over the next 15 years. **DATES:** Comments on the Draft GMP/ DCP/EIS should be received no later than November 17, 1995. The dates and times for public meetings regarding the draft GMP/DCP/EIS can be obtained by contacting Pecos National Historical Park at 505–757–6414.

ADDRESSES: Comments on the Draft GMP/DCP/EIS should be submitted to Superintendent, Pecos National Historical Park, Post Office Drawer 418, Pecos, New Mexico 87552, telephone 505–757–6414.

SUPPLEMENTARY INFORMATION: Public reading copies of the Draft GMP/DCP/ EIS will be available for review at the following locations: Office of Public Affairs, National Park Service, 1849 C Street, NW, Washington, D.C.; Department of the Interior Natural Resource Library, 1849 C Street, NW, Washington, D.Č.; National Park Service, Southwest System Support Office, 1100 Old Santa Fe Trail, Santa Fe, New Mexico; Santa Fe Public Library Reference Desk, 145 Washington Avenue, Santa Fe, New Mexico; Pecos National Historical Park, Administrative Office, 2 miles south of Pecos, New Mexico on State Highway 63; and local public libraries. Saint Croix Island International Historic Site Draft General Management Plan/Environmental Impact Statement; Intent

SUMMARY: This notice is to advise the public that the National Park Service is preparing a Draft General Management Plan (GMP)/Environmental Impact Statement (DEIS) for Saint Croix Island International Historic Site, Calais, Maine. The formal 30-day public scoping period for such effort begins October 1 and closes October 31, 1995. This scoping effort allows the public to help the National Park Service identify the most important issues to be addressed and the range of alternatives to be considered, proposed and evaluated in the Draft GMP/EIS.

A public information document is available. The purpose of the document is to invite public participation and to serve as an outline for discussion during public consultations. To ensure that the full range of issues are addressed and a full range of alternatives are identified and evaluated, comments and suggestions are invited from all interested parties. Written comments are welcome and must be postmarked no later than October 31, 1995. A public workshop will be held on Wednesday, October 25, 1995, at 7 pm, at the Washington County Technical College, River Road, U.S. Route 1, Calais, Maine.

SUPPLEMENTARY INFORMATION: The public information document briefly describes the significance of the site, the NPS planning process, preliminary management objectives, as well as an outline of preliminary ideas for the future of the site. No decision has been made regarding what the contents of the draft GMP/EIS will be or what alternatives will be proposed and evaluated in the draft GMP/EIS.

FOR FURTHER INFORMATION CONTACT: Superintendent, Acadia National Park, P.O. Box 177, Bar Harbor, Maine 04609, (207) 288–5472.

Dated: September 11, 1995. Robert W. McIntosh, *Acting, Deputy Field Director.* [FR Doc. 95–23152 Filed 9–18–95; 8:45 am] BILLING CODE 4310–70–P
