

1. Recommend a work plan for completion of the task, including the rationale supporting such a plan, for consideration at the meeting of the ARAC Executive Committee held following publication of this notice.

2. Give a detailed conceptual presentation of the proposed recommendations, prior to proceeding with the work stated in item 3 below.

3. Draft appropriate regulatory documents with supporting economic and other required analyses, and/or any other related guidance material or collateral documents the working group determines to be appropriate; or, if new or revised requirements or compliance methods are not recommended, a draft report stating the rationale for not making such recommendations.

4. Provide a status report at each meeting of the ARAC Executive Committee.

#### Participation in the Working Group

The Digital Information Working Group is composed of experts having an interest in the assigned task. A working group member need not be a representative of a member of the full committee.

An individual who has expertise in the subject matter and wishes to become a member of the working group should write to the person listed under the caption **FOR FURTHER INFORMATION CONTACT** expressing that desire, describing his or her interest in the task, and stating the expertise he or she would bring to the working group. The request will be reviewed by the chair, the executive director, and the working group chair, and the individual will be advised whether or not the request can be accommodated.

The Secretary of Transportation has determined that the formation and use of ARAC are necessary and in the public interest in connection with the performance of duties imposed on the FAA by law.

Meetings of the ARAC Executive Committee will be open to the public, except as authorized by section 10(d) of the Federal Advisory Committee Act. Meetings of the Digital Information Working Group will not be open to the public, except to the extent that individuals with an interest and expertise are selected to participate. No public announcement of working group meetings will be made.

Issued in Washington, DC, on September 13, 1995.

#### **Research and Development Programs Meeting Agenda**

**AGENCY:** National Highway Traffic Safety Administration, DOT.

**ACTION:** Notice.

**SUMMARY:** This notice provides the agenda for a public meeting at which NHTSA will describe and discuss specific research and development projects.

**DATES AND TIMES:** As previously announced, the National Highway Traffic Safety Administration will hold a public meeting devoted primarily to presentations of specific research and development projects on September 21, 1995, beginning at 1:30 p.m. and ending by 5 p.m.

**ADDRESSES:** The meeting will be held at the Holiday Inn Capitol, 550 C Street, SW., Washington, DC 20024.

**SUPPLEMENTARY INFORMATION:** This notice provides the agenda for the eleventh of a series of quarterly public meetings to provide detailed information about NHTSA's research and development programs. This meeting will be held on September 21, 1995. The meeting was announced on August 24, 1995 (60 FR 44114). For additional information about the meeting consult that announcement.

Starting at 1:30 p.m. and concluding by 5 p.m., NHTSA's Office of Research and Development will discuss the following topics:

- \* Variable Dynamics Test Vehicle,
- \* Child Safety Research (Specifically ISOFIX),
- \* Frontal Offset Test Procedure Development,
- \* On-Line Tracking System for NHTSA's Research Projects.

NHTSA has based its decisions about the agenda, in part, on the suggestions it received by September 5, 1995, in response to the announcement published on August 24, 1995.

As announced on August 24, 1995, in the time remaining at the conclusion of the presentations, NHTSA will provide answers to questions on its research and development programs, where those questions have been submitted in

writing by September 12, 1995, to the Associate Administrator for Research and Development, NRD-01, National Highway Traffic Safety Administration, Washington, DC 20590.

#### **Office of Hazardous Materials Safety; Notice of Applications for Modification of Exemptions or Applications to Become a Party to an Exemption**

**AGENCY:** Research and Special Programs Administration, DOT.

**ACTION:** List of applications for modification of exemptions or applications to become a party to an exemption.

**SUMMARY:** In accordance with the procedures governing the application for, and the processing of, exemptions from the Department of Transportation's Hazardous Materials Regulations (49 CFR Part 107, Subpart B), notice is hereby given that the Office of Hazardous Materials Safety has received the applications described herein. This notice is abbreviated to expedite docketing and public notice. Because the sections affected, modes of transportation, and the nature of application have been shown in earlier Federal Register publications, they are not repeated here. Requests for modifications of exemptions (e.g. to provide for additional hazardous materials, packaging design changes, additional mode of transportation, etc.) are described in footnotes to the application number. Application numbers with the suffix "M" denote a modification request. Application numbers with the suffix "P" denote a party to request. These applications have been separated from the new applications for exemptions to facilitate processing.

**DATES:** Comments must be received on or before October 4, 1995.

**ADDRESS COMMENTS TO:** Dockets Unit, Research and Special Programs,
