[Docket No. FR-3884-N-03]

Announcement of Funding Awards for the Public Housing (PH) Apprenticeship Demonstration Program in the Construction Trades and PH Operations—Fiscal Year 1995

AGENCY: Office of the Assistant Secretary for Public and Indian Housing, HUD.

ACTION: Announcement of funding awards.

SUMMARY: In accordance with Section 102(a)(4)(c) of the Department of Housing and Urban Development Reform Act of 1989, this document notifies the public of funding awards for Fiscal Year 1995 Public Housing Authority applicants under the PH Apprenticeship Demonstration Program in the Construction Trades and PH Operations. The purpose of this document is to announce the names and addresses of the award winners and the amount of the awards to be used to further the Department's commitment to providing apprenticeship and employment opportunities to youth living in public and assisted housing, in partnership with the PHAs and labor-management initiatives designed to focus on job training and employment opportunities leading to self-sufficiency. Recipients were chosen in a competition under selection criteria announced in a Notice of Funding Availability (NOFA) published in the Federal Register on March 23, 1995 (60 FR 15436).

FOR FURTHER INFORMATION CONTACT: Landry Williams, Office of Community Relations and Involvement, Department

of Housing and Urban Development, 451 Seventh Street, SW, Washington, DC 20410, telephone number (202) 708-4214. (This is not a toll free number). Hearing or speech impaired persons may use the Telecommunications Devices for the Deaf (TDD) by contacting the Federal Information Relay Service on 1-800-877-TDDY (1-800-877-8339) or (202) 708-9300 for information on the program.

SUPPLEMENTARY INFORMATION: The PH Apprenticeship Demonstration Program in the Construction Trades and PH operations is funded under the Departments of Veterans Affairs and Housing and Urban Development, and Independent Agencies Appropriations Act for 1994 (Pub. L. 103-124, approved October 28, 1993) (the 1994 Appropriations Act).

The purpose of the PH Apprenticeship Demonstration Program in the Construction Trades and PH operations is part of HUD's comprehensive strategy to restore and revitalize communities in urban America, preserve and rebuild public housing stock and create ladders of economic opportunity for public housing residents. This demonstration program specifically links public housing authorities (PHAs) and their residents and the following organizations: the Laborers International Union of North America (LIUNA); the United Brotherhood of Carpenters and the International Brotherhood of Painters or the American Federation of State, County and Municipal Employees (AFSCME).

This demonstration will bring together the skills needed to provide public housing youth with job training, apprenticeship opportunities and employment opportunities leading to self-sufficiency. Further, the PH Apprenticeship Demonstration Program in the Construction Trades and PH Operations will assist in achieving the objectives of section 3 by preparing youths residing in public and assisted housing for the work force.

Section 3 of the 1968 Housing and Urban Development Act of 1968, as amended (12 U.S.C. 1701u) requires that economic opportunities generated by certain HUD financial assistance for housing (including public and Indian housing) and community development programs shall, to the greatest extent feasible, be given to low and very-low income persons.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (Pub. L. 101-235, approved December 15, 1989) the

Department is publishing details regarding the recipients of funding awards. This information is provided in Appendix A to this document.

Dated: September 13, 1995.

Michael B. Janis,

General Deputy Assistant Secretary for Public and Indian Housing.

INTERNATIONAL BOUNDARY AND WATER COMMISSION

Availability of Final Environmental Assessment and Finding of No Significant Impact

AGENCY: United States Section, International Boundary and Water Commission, United States and Mexico.
ACTION: Notice of Availability of Final Environmental Assessment and Finding of No Significant Impact.

SUMMARY: Pursuant to section 102(2)(C) of the National Environmental Policy Act of 1969; the Council on Environmental Quality Final Regulations (40 CFR Parts 1500 through 1508); and the Operational Procedures of the United States Section, International Boundary and Water Commission, United States and Mexico (USIBWC), for implementing section 102 of NEPA, published in the Federal Register September 2, 1981 (46 FR 44083-44094); the USIBWC hereby gives notice that the Final Environmental Assessment and Final Finding of No Significant Impact for Quisto Energy Corporation (Quisto) to construct, operate, and maintain a gas

well located on the Main Floodway of the Lower Rio Grande Flood Control Project (LRGFCP) are available. The USIBWC finds that the proposed action to issue a license to Quisto for such works is not a major federal action that would have a significant adverse effect on the quality of the human environment. A Notice of Finding of No Significant Impact was signed August 2, 1995, (60 FR 40603) and provided a thirty (30) day review and comment period before making the finding final.
ADDRESS: Mr. Yusuf E. Farran, Division Engineer, Environmental Management Division, United States Section, International Boundary and Water Commission, United States and Mexico, 4171 North Mesa Street, C-310, El Paso, Texas 79902-1441, telephone: 915/534-6704, Fax: 915/534-668.

SUPPLEMENTARY INFORMATION:

Proposed Action

The action proposed is for the USIBWC to issue a license to Quisto to construct, operate, and maintain a gas well and install related features within Meyerhoff No. 5 Drilling Unit, Lot 271, Kelly-Pharr Subdivision, Hidalgo County, Texas. The gas well is proposed to be located on privately owned land within the Main Floodway of the USIBWC LRGFCP approximately 8 kilometers southeast of the town of Pharr. Access to the drilling site is by way of existing county and private roads.

Alternatives Considered

Three alternatives were considered in the Final Environmental Assessment (EA):

The Proposed Action Alternative is for Quisto to construct, operate, and maintain a gas well in a cultivated field within the Main Floodway of the USIBWC LRGFCP. This proposed action will require USIBWC to issue a license to ensure that such works do not cause an obstruction to flood flows within the floodway or interfere with the operation and maintenance of the LRGFCP.

The No Action Alternative is for Quisto to not construct, operate, and maintain a gas well within the Main Floodway of the LRGFCP. The no action alternative will not require the USIBWC to issue a license since no work will be done within the LRGFCP. The no action alternative will result in the denial of access to the mineral owner to rightfully owned minerals, loss of tax revenues to the State of Texas, and result in an unrecoverable clean energy source.

The Directional Well Alternative is for Quisto to drill a well from outside the Main Floodway to a depth below the
