

improving performance on admissions tests, counseling concerning the application process, and assisting admissions committees in the evaluation of disadvantaged applicants.

4. Retention—activities designed to help student participants from disadvantaged backgrounds, who have been accepted to or are enrolled in health professions schools or schools of allied health, to complete their education. These activities may include tutorial assistance, counseling, and assistance in adjusting to the environment of the school. Activities may not include courses already taught as part of the school's curriculum.

5. Financial Aid Information Dissemination—the distribution of information to student participants from disadvantaged backgrounds about financial aid available in health professions schools, schools of allied health or schools and entities which provide training necessary to qualify for enrollment in health professions schools or schools of allied health.

The program announcement, published in the Federal Register on June 22, 1995 at 60 FR 32531, proposed project requirements, review criteria, and funding preference. No comments were received during the 30-day comment period. Therefore, the following project requirements, review criteria, and funding preference will be retained as proposed:

Final Project Requirements

I. The Model Hispanic HCOP will establish an educational continuum from high school graduation through graduation from a health or allied health professions school through development and implementation of activities related to all five of the legislative purposes.

II. A plan for selecting students including criteria for selection must be developed and implemented.

III. Activities related to all of the five legislative purposes undertaken must be evaluated. Modifications must be made in activities based on evaluation.

IV. Activities and experiences related to the establishment of the Model Hispanic HCOP must be documented in a format that would allow for future replication by HCOP applicants.

Final Review Criteria

The following criteria are established for this program:

1. Compliance with the Standard Application Instructions for Form 6025-1, and the Supplement to Instructions for Form 6025-1.

2. The relationship of the proposed project to the purposes stated in the legislative authorization, the stated

problem, the particular needs to be addressed, and the relevance of proposed objectives to the identified needs.

3. The extent and outcomes of past efforts and activities of the institution in conduct of disadvantaged student programs particularly for Hispanics and enrollment data on the target population (current and past three years) and the extent to which these data indicate trends.

4. The relevance of objectives to the stated problem and need, and to Model Hispanic HCOP purposes; their measurability and attainability within a specific time frame; and the extent to which they represent outcome measures.

5. The number of Hispanic individuals who can be expected to benefit from the project, types of participants by gender, metropolitan area, and educational level; the appropriateness of the proposed participant eligibility requirements and student selection criteria and process.

6. The specific activities and their scope and relevance to the stated objectives and project outcomes, and the appropriateness of these activities for Model Hispanic HCOP support along with the extent and nature of the academic content and non-academic services and their suitability to the needs of the target group.

7. The logic and sequencing of the planned approaches, soundness for delivery of academic content and non-academic services and appropriateness of scheduling and time allocation.

8. The administrative and managerial capability of the applicant to carry out the project in a cost effective manner considering the extent of past efforts and institutional commitment to disadvantaged students.

9. The adequacy of the staff and faculty to carry out the program; the academic and experiential background, and time commitment of key staff and faculty, the nature and level of their involvement, and their experience in working with the proposed target group.

10. The soundness of the budget for assuring effective utilization of cooperative agreement funds and the cost effectiveness of the proposed project; the compatibility of budget requests with program objectives and activities, the adequacy of the line item justifications, and the extent of the applicant's in-kind contributions.

11. Institutional or organizational plan for phasing-in income from other sources; developing self-sufficiency funding initiatives and strategies (after the end of the current federally funded project period); and achieving self-

sufficiency based on a timetable and the level of financial support needed.

12. Extent to which project plans are transferable to other institutions.

Final Funding Preference

A funding preference will be given to a nonprofit, accredited four-year undergraduate college or university:

1. where Hispanic students constitute a minimum of 25 percent of the total enrollment at either the graduate or undergraduate level;

2. which is located in a geographic area with a high concentration of Hispanic residents (approximately 20 percent of the area's total population) such as the following: Anaheim, Los Angeles, Riverside, San Diego and San Jose, California; Miami, Florida; Chicago, Illinois; Northern New Jersey; Long Island and New York City, New York; El Paso, Dallas, Fort Worth, Galveston, Houston, and San Antonio, Texas; and

3. which is able to establish and document formal linkage arrangements with local community colleges, community health organizations and health professions and/or allied health professions schools.
