Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) or Superfund, Section 104; Announcement of Application Deadline for the Competition for Brownfields Economic Redevelopment Initiative Pilots'

AGENCY: Environmental Protection Agency.

ACTION: Notice of application deadlines, revised guidelines.

SUMMARY: The United States Environmental Protection Agency (EPA)

will continue to accept proposals for the national Brownfields Economic Redevelopment Pilots. EPA received over 100 applications for the deadlines of March 1, 1995 and April 17, 1995; from these applications EPA was able to select 15 national pilots which were announced on July 26, 1995. EPA will select a total of twenty additional pilots in 1996 during the next two rounds of the competition: The next two upcoming deadlines for these rounds are November 17, 1995 and March 4, 1996. All applications received by March 1, 1995 and April 17, 1995—but not chosen as national pilots in the July 26, 1995 announcement—will continue to be considered by EPA during the subsequent two rounds of this competition.

To further improve the competition process, EPA has made clarifications to the Application Guidelines for Demonstration Pilots (revised edition September 1995). However, those entities which submitted applications by March 1 and April 17 will not be required to re-submit their applications. Nonetheless, EPA urges these applicants to review the clarifications and determine whether they wish to revise and resubmit their applications.

DATES: This action is effective as of December 1, 1994, and expires on March 4, 1996. All proposals must be postmarked or sent to EPA via registered or tracked mail by the expiration dates cited above.

ADDRESSES: Applications booklets can be obtained by calling the Superfund Hotline at the following numbers: Washington, DC Metro Area at 703-412-9810, Outside Washington, DC Metro at 1-800-424-9346, TDD for the Hearing Impaired at 1-800-553-7672.

Booklets may also be obtained by writing to: U.S. EPA—Brownfields Application, Superfund Document Center 5201G, 401 M Street, SW., Washington, DC 20460.

FOR FURTHER INFORMATION CONTACT: The Superfund Hotline, 800-424-9346.

SUPPLEMENTARY INFORMATION: The U.S. EPA is funding 50 two-year demonstration pilots up to \$200,000 for cleaning up and redeveloping brownfields. Eighteen national pilot projects already have been selected. EPA defines brownfields as abandoned, idled or under-used industrial and commercial facilities where expansion or redevelopment is complicated by real or perceived environmental contamination. EPA's Brownfields Initiative is an organized commitment to help communities revitalize such properties both environmentally and economically, mitigate potential health
