However, by letter dated September 8, 1995, the licensee withdrew the proposed changes.

For further details with respect to this action, see the applications for amendment dated January 26, 1990, and August 23, August 31, and September 28, 1993, and the licensee's letter dated September 8, 1995, which withdrew the applications for license amendment. The above documents are available for public inspection at the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, and at the local public document room located at the Auburn Public Library, 118 15th Street, Auburn, NE 68305.
