BILLING CODE 4310-10M

Bureau of Land Management

[AZ-055-05-1330-00; CAAZCA 36103]

California; Notice of Realty Action: Availability of Long-Term Recreation Concession Lease in Imperial County, CA

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice of realty action.

SUMMARY: The Bureau of Land Management (BLM) is announcing the availability of a long-term recreation concession lease in support of BLM's recreation program, pursuant to the regulations at 43 CFR 2920. The site for the proposed concession is located on public lands on the west bank of the Colorado River about 12 miles south of Blythe, California, in Imperial County. BLM is seeking a concessioner to develop a new recreation concession which will include a quality recreational vehicle (RV) trailer park and supporting facilities associated with RV use.

DATES: Applications for developing the site will be accepted only at the BLM Yuma Resource Area Office, Yuma District, 3150 Winsor Avenue, Yuma, AZ 85365, from October 25, 1995, to December 31, 1995. If a satisfactory application/proposal is received, selection of the successful applicant will be made by January 30, 1996, without further publication. Lease issuance will not be simultaneous with final selection, but will occur by March 15, 1996, after the term of the lease, stipulations, and other items have been agreed upon by BLM and the successful applicant. The 30-day comment period for the environmental assessment will be in January-February 1996.

FOR FURTHER INFORMATION CONTACT: Area Manager Joy Gilbert or Supervisory Lands and Minerals Specialist Pat Boykin, BLM, Yuma Resource Area, 3150 Winsor Avenue, Yuma, AZ 85365, (520) 726-6300.

SUPPLEMENTARY INFORMATION: BLM is ending an occupancy leasing program which was begun to legalize a trespass subdivision on public land for an area known as "Harvey's Fishing Hole" or "Sportsman's Paradise."

The 27-acre site is 1,320 feet deep with approximately 860 feet of riverfront. The legal description of the subject parcel is as follows:

San Bernardino Meridian, California

T. 9 S., R. 22 E.,

Sec. 9, portion of lots 1, 2, 5, and 6.

BLM has determined through its land use plans that the site is suitable for the development of a recreation concession. Development of a recreation concession would be in the public interest.

The focus of concession development will be to provide facilities, visitor services, and products for the enhancement of recreational visitors' use and enjoyment. BLM will require a "no-development-zone" 120-foot setback from the waterfront, with no trailer spaces situated on the waterfront. Permanent occupancy will not be allowed, and the length of stay on concessions in the Yuma District is 5 months (150 days), either consecutively or in aggregate per 1-year period. Mobile homes will not be allowed. The proposed plan of development must reflect a phase-out of the existing occupancy use within no more than 5 years from lease issuance. Existing improvements will be removed by each occupant, or each occupant will bear the cost of removal of improvements, in accordance with their lease agreements with BLM.

A long-term lease is available to a qualified applicant who presents a plan
