

permit. However, the Service emphasizes that the adjudication of an employment authorization application and issuance of an EAD may take 60 to 90 days not including the round-trip mailing time. Incomplete applications will be returned causing additional delay. Therefore, Salvadoran class members should file their work authorization applications as soon as possible in order to receive their new work permits before their old ones expire.

#### ABC Notice 5 and the Asylum Application Filing Deadline for Salvadoran Class Members

On July 31, 1995, the Service mailed an official letter, called ABC Notice 5, to Salvadoran class members who registered for Temporary Protected Status (TPS). ABC Notice 5 establishes an asylum filing deadline. (Notice 5, without the legal services list without the attachments which it references, is reproduced at the end of this Federal Register notice.) Salvadoran ABC class members who have never filed an asylum application, including those who do not receive Notice 5, must do so by January 31, 1996, in order to remain eligible for ABC benefits. Salvadorans who already have an asylum application on file do not have to file a new one to maintain their ABC eligibility. Salvadorans may file an initial asylum application after January 31, 1996, but they will not be eligible for ABC benefits.

As previously indicated, Salvadorans with DED work authorization should not wait until January 31, 1996, to file their applications. In order to avoid a lapse in employment authorization, all necessary applications should be filed with the Service as soon as possible.

#### Change of Address Reporting Requirement for ABC Class Members

Salvadorans who applied for Temporary Protected Status (TPS) in 1991, but who have not received ABC Notice 5 in the mail, may not have their current address properly on file with the Service. ABC class members must notify the Service of any change of address by filing the Form I-855, ABC Change of Address Form. Class members must mail the ABC Change of Address Form, but no other materials, to the Washington, DC, address shown on the form. Class members who have filed an asylum application with the Service are encouraged to also send a copy of the ABC Change of Address Form to their local asylum office.

Dated: September 21, 1995.

Doris Meissner,  
*Commissioner, Immigration and Naturalization Service.*

Note: The ABC Notice 5 will not appear in the Code of Federal Regulations.

#### Notice 5

Mailed Notice to Salvadorans Granted TPS When TPS is Over

Date: July 31, 1995.  
This Letter Has Important Information About Your Legal Rights. Read It Carefully. Show It to Your Lawyer. If You Have Questions or Need Free Advice, Call an Organization on the Attached List.

The TPS/DED period has ended. Work authorization for Salvadorans under DED is scheduled to expire on September 30, 1995. *If you have never applied for asylum, you must act or the INS can subject you to deportation proceedings.*

Because of the ABC (American Baptist Church) against Thornburgh lawsuit, you can receive a new asylum interview and asylum determination. The ABC case allows you to submit a new asylum application. Asylum is generally for persons who fear returning to their home country because they are afraid of being persecuted in the future, or because they were persecuted in the past.

If you do not have an asylum application on file with the INS or the immigration court, *You Must Send an Asylum Application by January 31, 1996 To Remain Eligible for ABC Benefits.* Mail your asylum application to the appropriate INS Service Center as indicated in the attached Special Filing Instructions For ABC Class Members.

- If you have asylum application on file with the INS or the immigration court, you are NOT required to send a new application, but you can file a new application if you want to.
- If you applied for asylum in the past and your application was denied, you are entitled to a new interview and decision. You have the right to send a new application, but you are not required to.
- You can apply for work authorization if you already have an asylum application on file or if you file a complete asylum application.

#### What To Do TO Fill Out an Asylum Application (Form I-589)

- You may wish to speak to a lawyer you know or to a legal services agency you trust so that you get it done properly. If you do not have a lawyer, you may call one of the organizations listed on the attached sheet for help.
- For further instructions on how and where to file your asylum application, read the instructions to the asylum application, Form I-589 (Rev. 11-16-94), and the Special Filing Instructions for ABC Class Members (attached).
- An asylum application is not attached. You can obtain a copy of this form at your local INS office, or you can order one by mail by calling 1-800-870-3676 and requesting a Form I-589. The message will ask you to provide your telephone number, but you are not required to do so.

#### Work Authorization

• You will receive a work permit if you file a complete asylum application or have an application on file, *and*

- Submit the Form I-765 (attached) to the INS, *and*
- Follow the instructions on the forms and the Special Filing Instructions for ABC Class Members (attached).
