Establishment of a Supplementary Rule for Public Lands in the Hot Well Dunes Recreation Area Prohibiting Nude Bathing

AGENCY: Bureau of Land Management, Interior.

ACTION: Establishment of supplementary rule for public lands in the Hot Well Dunes Recreation Area prohibiting nude bathing.

SUMMARY: The purpose of this notice is to establish a supplemental rule to reduce conflicts related to use of hot tubs and enhance public safety at the Hot Well Dunes Recreation area. Therefore, nude bathing will be prohibited at all times within the area designated as the Hot Well Dunes Recreation Area. This supplementary rule applies to public lands in the Hot Well Dunes Recreation Area. Generally, the recreation area encompasses approximately 2,000 acres around the hot well located 32 miles southeast of Safford, Arizona. The entire recreation area is fenced and signed. A precise boundary map is available at the information address specified toward the end of this notice.

Background

Thousands of visitors use the Hot Well Dunes Recreation Area each year. The number of visitors has increased dramatically over the past few years and continues to do so each year. This area was designated a Special Recreation Management Area through the Safford District Resource Management Plan, completed in September 1992. The area was established as a Special Recreation Management Area because it provided opportunities for off-highway-vehicle riding in the sand dunes, hot water bathing from an artesian well, camping, picnicking and fishing.

There is an increasing number of complaints from visitors, especially family groups, about nude bathing in the area. There is also an increasing problem or arguments and fights between nude bathers and those offended by this activity. This rule will enable BLM to prevent conflicts between groups while still making the area available for everyone.

DATES: On or before October 15, 1995, interested parties may submit comments to the Safford District Manager, 711 14th Avenue, Safford, AZ 85546. Any adverse comments will be evaluated by the District Manager, who may vacate or modify these actions and issue a final determination. In the absence of any action by the District Manager, these

actions will become the final determination of the Department of the Interior.

FOR FURTHER INFORMATION CONTACT: Tom Schnell, Outdoor Recreation Planner, Bureau of Land Management, San Simon Resource Area, 711 14th Avenue, Safford, Arizona 85546, (520) 428-4040.

SUPPLEMENTARY INFORMATION: The authority for establishing supplementary rules is contained in 43 CFR 8365.1-6. Copies of this rule will be available at the Safford District Office. This rule will be posted within the Hot Well Dunes Recreation Area.

Dated: August 30, 1995.

District Manager.
