BILLING CODE 3810-FF-P

DEPARTMENT OF EDUCATION

Notice of Proposed Information Collection Requests

AGENCY: Department of Education.

ACTION: Notice of Proposed Information Collection Requests.

SUMMARY: The Director, Information Resources Group, invites comments on the proposed information collection requests as required by the Paperwork Reduction Act of 1995.

DATES: Interested persons are invited to submit comments on or before October 30, 1995.

ADDRESSES: Written comments should be addressed to the Office of Information and Regulatory Affairs, Attention: Wendy Taylor, Desk Officer, Department of Education, Office of Management and Budget, 725 17th Street, NW., Room 10235, New Executive Office Building, Washington, DC 20503. Requests for copies of the proposed information collection requests should be addressed to Patrick J. Sherrill, Department of Education, 600 Independence Avenue, S.W., Room 5624, Regional Office Building 3, Washington, DC 20202-4651.

FOR FURTHER INFORMATION CONTACT: Patrick J. Sherrill (202) 708-8196.

Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339 between 8 a.m. and 8 p.m., Eastern time, Monday through Friday.

SUPPLEMENTARY INFORMATION: Section 3507 of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35) requires that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Director of the Information Resources Group publishes this notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment at the address specified above. Copies of the requests are available from Patrick J. Sherrill at the address specified above.

Dated: September 25, 1995.

Gloria Parker,

Director, Information Resources Group.

Office of Elementary and Secondary Education

Type of Review: New.

Title: State or Court-Ordered

Desegregated LEAs Submission for Title I Services.

Frequency: Annually.

Affected Public: State, Local or Tribal Governments.

Reporting Burden:

Responses: 275.

Burden Hours: 1,100.

Recordkeeping Burden:

Recordkeepers: 0.

Burden Hours: 0.

Abstract: LEAs under such desegregation plans may request the waivers in order to provide Title I services to schools where the concentrations of poverty have been altered by the plan. These waivers and the information collection and reporting entailed are necessary in order to ensure provision of Title I services to children who are, but for the desegregation plan, fully entitled to receive them.

Additional Information: Clearance for this information collection is requested for September 29, 1995. An expedited review is requested so that the schools

may receive the waivers as soon as possible, since the school year has already begun.

BILLING CODE 4000-01-M

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. EG95-92-000, et al.]

The New World Village Power Company, et al.; Electric Rate and Corporate Regulation Filings

September 20, 1995

Take notice that the following filings have been made with the Commission:

1. The New World Village Power Company

[Docket No. EG95-92-000]

On September 14, 1995, The New World Village Power Company filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 365 of the Commission's regulations. The New World Village Power Company is a wholly owned subsidiary of The New World Power Corporation. The New World Village Power Company will be engaged directly and exclusively in the business of owning and operating a 0.5 MW generating facility powered by solar energy and natural gas located at Chiriaco Summit, in Riverside County, California, and selling electricity at wholesale.

Comment date: October 12, 1995, in accordance with Standard Paragraph E at the end of this notice.

2. UCH Power Limited

[Docket No. EG95-93-000]

On September 15, 1995, UCH Power Limited, a corporation formed under the laws of the Republic of Pakistan with offices at h.3, St.-33, F-8/1 Islamabad, Pakistan filed with the Federal Energy Regulatory Commission an application for determination of exempt wholesale generator status pursuant to Part 35 of the Commission's Regulations.

Applicant is proposing to construct and own an independent power production facility near Dera Murad Jamali in the Province of Balochistan, Pakistan. Major plant equipment will consist of three combustion turbine-generators, three heat recovery steam generators and one steam turbine-generator with a nominal net plant output of 586 MW. The primary fuel supply for the facility will be natural

gas. High speed diesel will be used as a back-up fuel supply. Net electric energy will be sold to the Water and Power Development Authority.

Upon completion of construction, Applicant will be engaged directly and exclusively in the business of owning the facility and selling electric energy at wholesale and possibly for sale at retail to consumer not located in the United States. No rate or charge for, or connection with, the construction of the Facility or for electric energy produced by the Facility was in effect under the laws of any state as of the date of enactment of Section 32 of the Public Utility Holding Company Act.

Comment date: October 12, 1995, in accordance with Standard Paragraph E at the end of this notice.

3. Kentucky Utilities Company

[Docket No. ER94-209-002]

Take notice that on August 28, 1995, Kentucky Utilities Company (KE) tendered for filing in compliance with Docket Nos. ER94-209-000 and ER94-209-001, a compliance reporting stating that no excess revenues were received above the settlement and interconnection agreement rates from East Kentucky Cooperative, Inc. In addition, there were no emission allowance revenues recovered in excess of the methodology accepted by the Commission in Docket No. ER95-529-000 on August 11, 1995.

Comment date: October 5, 1995, in accordance with Standard Paragraph E at the end of this notice.

4. National Power Exchange, Corp.

[Docket No. ER94-1593-003]

Take notice that on September 11, 1995, National Power Exchange, Corp. tendered for filing certain information as required by the Commission's letter order dated October 7, 1994. Copies of the informational filing are on file with the Commission and are available for public inspection.

5. ICPM, Inc.

[Docket No. ER95-640-001]

Take notice that on September 7, 1995, ICPM, Inc. tendered for filing certain information as required by the Commission's letter order dated March 31, 1995. Copies of the informational filing are on file with the Commission and are available for public inspection.

6. PacifiCorp

[Docket No. ER95-727-000]

Take notice that on September 1, 1995, PacifiCorp tendered for filing an amendment in the above-referenced docket.
