**Notice of Availability and Notice of Realty Action**

**AGENCY:** Bureau of Land Management, Interior.

**SUMMARY:** Notice is hereby given that an environmental assessment and proposed plan amendment for the Cedar, Beaver, Garfield, Antimony Resource Management Plan have been completed. Pursuant to this environmental assessment and proposed plan amendment, 20 acres of public land have been found suitable for direct sale, under the authority of section 203 of the Federal Land Policy and Management Act of 1976, to Sheldon J. and Rita F. Jessup at the appraised fair market value of \$6,500. This land is located at Salt Lake Meridian, T. 29 S., R. 8 W., sec. 20, W $\frac{1}{2}$ W $\frac{1}{2}$ SW $\frac{1}{4}$ SE $\frac{1}{4}$  and sec. 29, W $\frac{1}{2}$ W $\frac{1}{2}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$ , Beaver County, Utah. The land will not be offered for sale until at least 60 days after the date of this notice and is contingent upon the signing of a decision record approving the proposed amendment.

**DATES:** The proposed plan amendment may be protected. The protest period will commence with the date of publication of this notice. Protests must be submitted on or before October 30, 1995. Also for a period of 45 days from September 29, 1995, interested parties may submit comments on the proposed land sale to the District Manager, Cedar City District, at the address below.

**ADDRESSES:** Protests to the proposed plan amendment should be addressed to the Director (480), Bureau of Land Management, Resource Planning Team, Box 10, 1620 L Street, N.W., Washington, DC 20036, within 30 days after the date of publication of this Notice for the proposed planning amendment. All comments concerning this proposed sale should be addressed to A.J. Meredith, District Manager, Cedar City District, 176 East DL Sargent Drive, Cedar City, UT 84720.

**FOR FURTHER INFORMATION CONTACT:** Arthur L. Tait at 176 East DL Sargent Drive, Cedar City, UT 84720, telephone (801) 865-3080.

**SUPPLEMENTARY INFORMATION:** The lands described are hereby segregated from all forms of appropriation under the public land laws, including the mining laws, pending disposition of this action or 270 days from September 29, 1995, whichever occurs first. Only the surface estate will be sold. The patent, when issued, will contain a reservation for all minerals to the United States, together with the right to prospect for, mine and remove the minerals. There will also be

reserved to the United States, a right-of-way for ditches or canals constructed by the authority of the United States. In the absence of timely objections, this proposal shall become the final determination of the Department of the Interior.

In the absence of a formal protest to the Director, or timely objections to the District Manager, the proposed plan amendment shall become the final determination of the State Director.

Dated: September 20, 1995.

**Bureau of Reclamation**

**Quarterly Status Report of Water Service and Repayment Contract Negotiations**

**AGENCY:** Bureau of Reclamation, Interior.

**ACTION:** Notice.

**SUMMARY:** Notice is hereby given of proposed contractual actions that are new, modified, discontinued, or completed since the last publication of this notice on May 22, 1995. The February 1, 1995, notice should be used as a reference point to identify changes. The number in parenthesis corresponds to the number in the February 1, 1995, notice. This notice is one means in which the public is informed about contractual actions for capital recovery and management of project resources and facilities. Additional Bureau of Reclamation (Reclamation) announcements of individual contract actions may be published in the Federal Register and in newspapers of general circulation in the areas determined by Reclamation to be affected by the proposed action. Announcements may be in the form of news releases, legal notices, official letters, memorandums, or other forms of written material. Meetings, workshops, and/or hearings may also be used, as appropriate, to provide local publicity. The public participation procedures do not apply to proposed contracts for sale of surplus or interim irrigation water for a term of 1 year or less. Either of the contracting parties may invite the public to observe any contract proceedings. All public participation procedures will be coordinated with those involved in complying with the National Environmental Policy Act.

**ADDRESSES:** The identity of the approving officer and other information pertaining to a specific contract

proposal may be obtained by calling or writing the appropriate regional office at the address and telephone number given for each region in the supplementary information.

**FOR FURTHER INFORMATION CONTACT:**

Alonzo Knapp, Manager, Reclamation Law, Contracts, and Repayment Office, Bureau of Reclamation, P.O. Box 25007, Denver, Colorado 80225-0007; telephone 303-236-1061 extension 224.

**SUPPLEMENTARY INFORMATION:** Pursuant to section 226 of the Reclamation Reform Act of 1982 (96 Stat. 1273) and 43 CFR 426.20 of the rules and regulations published in 52 FR 11954, Apr. 13, 1987, Reclamation will publish notice of proposed or amendatory contract actions for any contract for the delivery of project water for authorized uses in newspapers of general circulation in the affected area at least 60 days prior to contract execution. Pursuant to the "Final Revised Public Participation Procedures" for water resource-related contract negotiations, published in 47 FR 7763, Feb. 22, 1982, a tabulation is provided of all proposed contractual actions in each of the five Reclamation regions. Each proposed action is, or is expected to be, in some stage of the contract negotiation process in 1995. When contract negotiations are completed, and prior to execution, each proposed contract form must be approved by the Secretary of the Interior or, pursuant to delegated or redelegated authority, the Commissioner of Reclamation or one of the regional directors. In some instances, congressional review and approval of a report, water rate, or other terms and conditions of the contract may be involved.

Public participation in and receipt of comments on contract proposals will be facilitated by adherence to the following procedures:

1. Only persons authorized to act on behalf of the contracting entities may negotiate the terms and conditions of a specific contract proposal.

2. Advance notice of meetings or hearings will be furnished to those parties that have made a timely written request for such notice to the appropriate regional or area office of Reclamation.

3. Written correspondence regarding proposed contracts may be made available to the general public pursuant to the terms and procedures of the Freedom of Information Act (80 Stat. 383), as amended.

4. Written comments on a proposed contract or contract action must be submitted to the appropriate regional officials at the locations and within the

time limits set forth in the advance public notices.

5. All written comments received and testimony presented at any public hearings will be reviewed and summarized by the appropriate regional office for use by the contract approving authority.

6. Copies of specific proposed contracts may be obtained from the appropriate regional director or his designated public contact as they become available for review and comment.

7. In the event modifications are made in the form of a proposed contract, the appropriate regional director shall determine whether republication of the notice and/or extension of the comment period is necessary.

Factors considered in making such a determination shall include, but are not limited to: (i) The significance of the modification, and (ii) the degree of public interest which has been expressed over the course of the negotiations. As a minimum, the regional director shall furnish revised contracts to all parties who request the contract in response to the initial public notice.

### Bay-Delta Advisory Council Meeting

**AGENCY:** Bureau of Reclamation, Interior.

**ACTION:** Notice of meeting.

**SUMMARY:** The Bay-Delta Advisory Council (BDAC) will meet to discuss several issues including: review of the CALFED Bay-Delta Program's problem definition, objectives, mission and geographic scope; discussion of causes and actions related to the problems in the Delta; and other program components. The meeting is open to the public. Interested persons may make oral statements to the BDAC or may file written statements for consideration.

**DATES:** The Bay-Delta Advisory Council will meet from 10:00 am to 4:00 pm on Wednesday, October 18, 1995.

**ADDRESSES:** The Bay-Delta Advisory Council will meet at the Holiday Inn Oakland/San Francisco Bay Bridge, 1800 Powell Street, Emeryville, CA 94608.

**FOR FURTHER INFORMATION CONTACT:** Sharon Gross, CALFED Bay-Delta Program, at (916) 657-2666.

**SUPPLEMENTARY INFORMATION:** The San Francisco Bay/Sacramento-San Joaquin Delta Estuary is a critically important part of California's natural environment and economy. In recognition of the serious problems facing the region and the complex resource management decisions that must be made, the State of California and the Federal government are working together to stabilize, protect, restore, and enhance the Bay-Delta Estuary. The State and Federal agencies with management and regulatory responsibilities in the Bay-Delta Estuary are working together as CALFED to provide policy direction and oversight for the process.

One area of Bay-Delta management includes the establishment of a joint State-Federal process to develop long-term solutions to problems in the Bay-Delta Estuary related to fish and wildlife, water supply reliability, natural disasters, and water quality. The intent is to develop a comprehensive and balanced plan which addresses all of the resource problems. This effort will be carried out under the policy direction of CALFED. A group of citizen advisors representing California's agricultural, environmental, urban, business, fishing, and other interests who have a stake in finding long term solutions for the problems affecting the Bay-Delta Estuary has been chartered under the Federal Advisory Committee Act (FACA) as the Bay-Delta Advisory Council (BDAC) to advise CALFED on the program mission, problems to be
