**Advisory Committee Study Group
Meetings on U.N. (UNCITRAL)
Initiatives on Cross-Border Insolvency**

A Study Group on Cross-Border Insolvency of the Secretary of State's Advisory Committee on Private International Law has been established to review international organization efforts to harmonize rules applicable to cross-border insolvency involving business entities. The Study Group will hold two meetings in Washington, DC, Friday, October 13 and Friday, October 27, from 1 pm to 5 p.m.

The purpose of the meetings will be to review a new project by the United Nations Commission on International Trade Law (UNCITRAL) involving preparation of model legislation or international guidelines on certain aspects of cross-border insolvency. Possible United States positions concerning the first UNCITRAL Working Group meeting on this topic beginning October 30, 1995 will also be considered. The Commission decided at its most recent Plenary session in May, 1995 to work primarily on procedural, rather than substantive, rules which could cover matters such as judicial cooperation with regard to jurisdiction, access to proceedings for foreign trustees and other interests, coordination of hearings, recognition of judgments, and enforcement. Consideration may also be given at this stage to international cooperation on asset tracing and recovery. Additional matters, including substantive law involving priorities of claims, relation to other law such as secured interests, and priorities as to distribution would only be considered, if at all, at a later stage.

The relationship of the Commission's project generally to U.S. interests, and its impact on facilitation of international trade will be considered. Current projects by other organizations will also be reviewed in this context, including the American Law Institute's project to consider harmonization of bankruptcy law between the NAFTA states, and projects by the International Bar Association, INSOL and others.

Background documents include an UNCITRAL Secretariat Report on the international judicial colloquium on cross-border insolvency at Toronto, Canada in March, 1995, U.N. Doc.A/CN.9/413, April 12, 1995, and a Report by INSOL International (International Association of Insolvency Practitioners) on the Joint Project of UNCITRAL and INSOL: cross-border insolvency access and recognition, March 1, 1995. Copies of these documents are available from

the Legal Adviser's Office at the address indicated below.

Background documents may be requested from, and persons who cannot attend the meetings are welcome to submit comments to, the Office of Legal Adviser (L/PIL), Department of State, State Annex 44, Suite 355 South Building, Washington, DC 20520, attention Harold S. Burman. The meetings are open to the public up to the capacity of the meeting room and subject to the rulings of the Chair; meetings will be held at the State Department, the October 13 meeting at A.I.D. Conference Room 5951, and October 27 at the Bureau of European Affairs Conference Room 6219A. Since access to the building is controlled, persons wishing to participate should advise the Office of Legal Adviser not later than three days before the meeting of their name, address, telephone, affiliation, and social security number. For further information, please call Seema Aziz at (202) 776-8426 or 8420. Peter H. Pfund,

AGENCY: Department of State.

ACTION: Notice.

SUMMARY: The Department of State issued a public announcement concerning the recent determination by the Secretary of the U.S. Department of Transportation that the international airport in Manila, The Philippines, does not administer nor maintain effective security measures.

FOR FURTHER INFORMATION CONTACT: Margery Lemb, American Citizens Services, Department of State, 2201 C Street, NW, Room 4811, Washington, D.C. 20520, 202-647-5000.

SUPPLEMENTARY INFORMATION: 60 FR 41907, August 14, 1995.

Pursuant to 49 U.S.C. 44908(a), on September 11, 1995, the Department of State issued the following public announcement:

On August 7, 1995, the United States Secretary of Transportation determined that the Ninoy Aquino International Airport Manila, The Philippines, does not currently maintain security measures which are fully consistent with the standards established by the International Civil Aviation Organization (ICAO). The Department of Transportation believes that air service

operations can be safely continued if proper precautions are carefully observed. Currently, U.S. air carriers and foreign air carriers which fly directly to the U.S. are providing additional security measures that counter the deficiencies identified at Ninoy Aquino International Airport.

Dated: September 15, 1995.

Georgia Rogers,

Managing Director, Overseas Citizens Services.

DEPARTMENT OF TRANSPORTATION

Office of the Secretary

Sale in the U.S. of Transportation by Air to Lebanon

On September 15, 1995, the President determined that the prohibition contained in PD 85-14, insofar as it applies to the transportation to Lebanon of non-U.S. citizens, U.S. citizens who have received written approval from the State Department, and their accompanying baggage, should be removed. In furtherance of that determination, we found on September 26, 1995, in Order 95-9-30, that it is consistent with the public interest to exempt U.S. and foreign air carriers from the conditions imposed by Order 85-7-45 to the extent necessary to allow non-U.S. citizens and those U.S. citizens who have received written approval from the State Department, to purchase in the United States transportation for themselves and their accompanying baggage to and from Lebanon. This exemption is effective October 25, 1995.

Furthermore, in Order 95-9-30 we required that at the point of sale, the agent or carrier making the sale obtain from each non-U.S. citizen to whom the ticket is being issued, A) a statement signed by that person that he or she is not a citizen of the United States, and B) a photocopy of the page(s) of each such person's passport showing the name, nationality, and passport number, and a photocopy of the entry VISA that the person has obtained for entry into Lebanon. With respect to U.S. citizens, the agent or carrier at the point of sale must obtain a photocopy of the page of each such person's passport that includes the State Department endorsement permitting one round trip to Lebanon. All carriers and agents must retain such records for a period of at least 12 months. These steps were taken as a means of ensuring and policing compliance with the new travel regime.

We directed that a copy of this notice be published in the Federal Register.

Patrick V. Murphy,
Deputy Assistant Secretary for Aviation and International Affairs.

Dated: September 26, 1995.
