Texaco Exploration and Production, Inc.; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on December 2, 1994, applicable to all workers of Texaco Exploration and Production, Inc., operating at various locations in the United States. The certification was subsequently amended December 16, 1994 and March 16, 1995, to include workers of the subject firm operating in additional States. The amendments were published in the Federal Register on January 4, 1995 (60 FR 48) and March 27, 1995 (60 FR 15793), respectively.

At the request of petitioners, the Department reviewed the subject certification. New information received from the company shows that certain groups within the Comptrollers Department of Texaco, Inc., including Producing Accounting—Bakersfield; Denver; New Orleans; Midland; Gas-East; Gas-West; and Texaco Natural Gas directly support the operations of Texaco Exploration and Production, Inc. New findings show that there have been worker separations. Further findings show that effective January 1, 1995 all Texaco, Inc. service departments, including the Comptrollers Department, were assigned to a new subsidiary called Texaco Groups Inc. Accordingly, the Department is amending the certification to include workers in the Comptrollers Department.

The intent of the Department's certification is to include all workers of the subject firm who were adversely affected by increased imports.

The amended notice applicable to TA-W-30,378B, TA-W-30,378C, TA-W-30,378F, and TA-W-30,378K is hereby issued as follows:

"All workers of Texaco Exploration and Production, Inc. and the Comptrollers Department of Texaco, Inc. a/k/a Texaco Group Inc., operating out of various locations as specified below engaged in the exploration and production of crude oil, natural gas liquids and natural gas who became totally or partially separated from employment on or after October 3, 1993 are eligible to apply for
