

current benefits during the review period. Moreover, export sales should form the denominator because receipt of pioneer status tax benefits for the companies under review is contingent upon exportation. Accordingly, we have not overstated the benefit from the Pioneer Status Program. See section 355.47(a)(2) of the *Proposed Rules*. See also *Final Affirmative Countervailing Duty Determination; Oil Country Tubular Goods From Brazil* (49 FR 46570; November 27, 1984) and *Final Affirmative Countervailing Duty Determination; Certain Agricultural Tillage Tools From Brazil* (50 FR 34525; August 26, 1985).

Final Results of Review

For the period January 1, 1993 through December 31, 1993, we determine the net subsidy to be 1.00 percent *ad valorem* for all companies.

The Department will instruct the U.S. Customs Service to assess a countervailing duty rate of 1.00 percent. This countervailing duty order was determined to be subject to section 753 of the Act (as amended by the Uruguay Round Agreements Act of 1994). *Countervailing Duty Order; Opportunity to Request a Section 753 Injury Investigation*, 60 FR 27,963 (May 26, 1995), amended 60 FR 32,942 (June 26, 1995). In accordance with section 753(a), domestic interested parties have requested an injury investigation with respect to this order with the International Trade Commission (ITC). Pursuant to section 753(a)(4), liquidation of entries of subject merchandise made on or after January 1, 1995, the date Malaysia joined the World Trade Organization, is suspended until the ITC issues a final injury determination. We will not issue assessment instructions for any entries made after January 1, 1995; however, we will instruct Customs to collect cash deposits in accordance with the final results of this administrative review.

Therefore, the Department will instruct the U.S. Customs Service to collect a cash deposit of estimated countervailing duties of 1.00 percent of the f.o.b. invoice price on all shipments of the subject merchandise from Malaysia entered, or withdrawn from warehouse, for consumption on or after the date of publication of the final results of this administrative review.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 355.43(d). Timely written notification of return/destruction of

APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of an APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) of the Act (19 U.S.C. 1675(a)(1)) and 19 CFR 355.22.

Dated: September 26, 1995.
Susan G. Esserman,
Assistant Secretary for Import Administration.
