OMB control number: 2502-0419.

Description of the need for the information and proposed use: The mortgagee of a FHA insured mortgage is required to pay to HUD an annual mortgage insurance premium (MIP). When the mortgagor defaults by not performing its obligations under the contract of insurance, the mortgagee may elect to file a claim for insurance benefits. In the initial stage of the claim, the mortgagee must submit to the FHA Commissioner a form HUD-2747, Mortgagee's Application for Insurance Benefits. The mortgagee's obligation to pay future insurance premiums is terminated as of the date this form is received by the FHA Commissioner; however, the mortgagee is responsible for the payment of MIP premiums up to the receipt date acknowledged by the Commissioner. During the audit of the mortgagee's claim for payment of insurance benefits, the receipt date is compared to the mortgagee's MIP payment history. Delinquent premiums are deducted from insurance benefits payable to the mortgagee.
