California**

**AGENCY:** Bureau of Land Management,  
Interior.

**ACTION:** Notice of segregation.

**SUMMARY:** The private land described in  
this notice, aggregating 5.00 acres, is  
segregated and made unavailable for  
filings under the general mining laws  
and the mineral leasing laws to  
determine its suitability for conveyance  
of the reserved mineral interest  
pursuant to section 209 of the Federal  
Land Policy and Management Act of  
October 21, 1976.

The mineral interests will be  
conveyed in whole or in part upon  
favorable mineral examination.

The purpose is to allow consolidation  
of surface and subsurface of minerals  
ownership where there are no known  
mineral values or in those instances  
where the reservation interferes with or  
precludes appropriate nonmineral  
development and such development is a  
more beneficial use of the land than the  
mineral development.
