ANR Pipeline Company; Notice of Request Under Blanket Authorization

October 10, 1995.

Take notice that on October 4, 1995, ANR Pipeline Company (ANR), 500 Renaissance Center, Detroit, Michigan 48243, filed in Docket No. CP96-6-000 a request pursuant to Sections 157.205 and 157.211 of the Commission's Regulations under the Natural Gas Act (18 CFR 157.205, 157.211) for authorization to modify and operate an existing interconnection between ANR and Continental Natural Gas, Inc. (CNG) in Beaver County, Oklahoma for delivery of natural gas to CNG under ANR's blanket certificate issued in Docket No. CP82-480-000 pursuant to Section 7 of the Natural Gas Act, all as more fully set forth in the request that is on file with the Commission and open to public inspection.

ANR proposes to modify an existing interconnection (CNG "A" Station) in Beaver County, Oklahoma and to operate this interconnection under Section 7(c) of the Natural Gas Act. Currently, ANR receives gas at the CNG "A" Station. ANR's proposed modification would change the direction of the gas flow and allow ANR to deliver natural gas at this station. The proposed modification to CNG "A" station would consist of a new valve, an electronic measurement system, a gas sampler and appurtenant facilities. ANR states that the cost of the proposed facilities is approximately \$25,000.

ANR would provide CNG with deliveries at the CNG "A" Station under

Rate Schedule IT of its FERC Gas Tariff, Second Revised Volume No. 1. The maximum capacity of the CNG "A" Station would be 6,000 Mcf per day. ANR states that the volumes to be delivered will be within the certificated entitlements of the customer.

Any person or the Commission's staff may, within 45 days after issuance of the instant notice by the Commission, file pursuant to Rule 214 of the Commission's Procedural Rules (18 CFR 385.214) a motion to intervene or notice of intervention and pursuant to Section 157.205 of the Regulations under the Natural Gas Act (18 CFR 157.205) a protest to the request. If no protest is filed within the time allowed therefor, the proposed activity shall be deemed to be authorized effective the day after the time allowed for filing a protest. If a protest is filed and not withdrawn within 30 days after the time allowed for filing a protest, the instant request shall be treated as an application for authorization pursuant to Section 7 of the Natural Gas Act.
