SUMMARY: This is a notice of the Presidential declaration of a major disaster for the State of Alabama (FEMA-1070-DR), dated October 4, 1995, and related determinations.

EFFECTIVE DATE: October 4, 1995.

FOR FURTHER INFORMATION CONTACT: Pauline C. Campbell, Response and Recovery Directorate, Federal Emergency Management Agency, Washington, DC 20472, (202) 646-3606.

SUPPLEMENTARY INFORMATION: Notice is hereby given that, in a letter dated October 4, 1995, the President declared a major disaster under the authority of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5121 *et seq.*), as follows:

I have determined that the damage in certain areas of the State of Alabama resulting from Hurricane Opal on October 4, 1995, and continuing is of sufficient severity and magnitude to warrant a major disaster declaration under the Robert T. Stafford Disaster Relief and Emergency Assistance Act ("the Stafford Act"). I, therefore, declare that such a disaster exists in the State of Alabama.

You are authorized to coordinate all disaster relief efforts which have the purpose of alleviating the hardship and suffering caused by the disaster on the local population, and to provide appropriate assistance for required emergency measures, authorized under Title IV of the Stafford Act, to save lives, protect property and public health and safety, and lessen or avert the threat of a catastrophe in the designated areas. Specifically, you are authorized to identify, mobilize, and provide at your discretion, equipment and resources necessary to alleviate the impacts of the disaster. I have further authorized direct Federal assistance for the first 72 hours at 100 percent Federal funding, if deemed

necessary. You may extend this assistance for an additional period of time, if warranted.

In order to provide Federal assistance, you are hereby authorized to allocate from funds available for these purposes, such amounts as you find necessary for Federal assistance and administrative expenses.

Individual Assistance, Public Assistance or Hazard Mitigation may be added at a later date, if warranted. Consistent with the requirement that Federal assistance be supplemental, any Federal funds provided under the Stafford Act except as noted in the paragraph above will be limited to 75 percent of the total eligible costs.

Notice is hereby given that pursuant to the authority vested in the Director of the Federal Emergency Management Agency under Executive Order 12148, I hereby appoint Glenn Woodard of the Federal Emergency Management Agency to act as the Federal Coordinating Officer for this declared disaster.

I do hereby determine the State of Alabama to have been affected adversely by this declared major disaster:
