

that the noise exposure maps submitted for Kenosha Regional Airport are in compliance with applicable requirements of part 150, effective September 27, 1995. Further, FAA is reviewing a proposed noise compatibility program for that airport which will be approved or disapproved on or before March 25, 1996. This notice also announces the availability of this program for public review and comment.

Under section 103 of title I of the Aviation Safety and Noise Abatement Act of 1979 (hereinafter referred to as "the Act"), an airport operator may submit to the FAA noise exposure maps which meet applicable regulations and which depict noncompatible land uses as of the date of submission of such maps, a description of projected aircraft operations, and the ways in which such operations will affect such maps. The Act requires such maps to be developed in consultation with interested and affected parties in the local community, government agencies, and persons using the airport.

An airport operator who has submitted noise exposure maps that are found by FAA to be in compliance with the requirements of Federal Aviation Regulations (FAR) part 150, promulgated pursuant to title I of the Act, may submit a noise compatibility program for FAA approval which sets forth the measures the operator has taken or proposes for the reduction of existing noncompatible uses and for the prevention of the introduction of additional noncompatible uses.

The City of Kenosha submitted to the FAA on December 21, 1994, noise exposure maps, descriptions and other documentation which were produced during the FAR part 150 Noise Compatibility Study from April 1992 to December 1994. It was requested that the FAA review this material as the noise exposure maps, as described in section 103(a)(1) of the Act, and that the noise mitigation measures, to be implemented jointly by the airport and surrounding communities, be approved as a noise compatibility program under section 104(b) of the Act.

The FAA has completed its review of the noise exposure maps and related descriptions submitted by The City of Kenosha. The specific maps under consideration are the 1992 existing Noise Exposure Map and the 1997 future Noise Exposure Map. The FAA has determined that these maps for Kenosha Regional Airport are in compliance with applicable requirements. This determination is effective on September 27, 1995. FAA's determination on an airport operator's

noise exposure maps is limited to a finding that the maps were developed in accordance with the procedures contained in appendix A of FAR part 150. Such determination does not constitute approval of the applicant's data, information or plans, or a commitment to approve a noise compatibility program or to fund the implementation of that program.

If questions arise concerning the precise relationship of specific properties to noise exposure contours depicted on a noise exposure map submitted under section 103 of the Act, it should be noted that the FAA is not involved in any way in determining the relative locations of specific properties with regard to the depicted noise contours, or in interpreting the noise exposure maps to resolve questions concerning, for example, which properties should be covered by the provisions of section 107 of the Act. These functions are inseparable from the ultimate land use control and planning responsibilities of local government. These local responsibilities are not changed in any way under part 150 of through FAA's review of noise exposure maps. Therefore, the responsibility for the detail overlaying of noise exposure contours onto the map depicting properties on the surface rests exclusively with the airport operator who submitted those maps, or with those public agencies and planning agencies with which consultation is required under section 103 of the Act. The FAA has relied on the certification by the airport operator, under section 150.21 of FAR part 150, that the statutory required consultation has been accomplished.

The FAA has formerly received the noise compatibility program for Kenosha Regional Airport, also effective on September 27, 1995. Preliminary review of the submitted material indicates that it conforms to the requirements for the submittal of noise compatibility programs, but that further review will be necessary prior to approval or disapproval of the program. The formal review period, limited by law to a maximum of 180 days, will be completed on or before March 25, 1996.

The FAA's detailed evaluation will be conducted under the provisions of 14 CFR part 150, section 150.33. The primary considerations in the evaluation process are whether the proposed measures may reduce the level of aviation safety, create an undue burden on interstate or foreign commerce, or be reasonably consistent with obtaining the goal of reducing existing noncompatible land uses and

preventing the introduction of additional noncompatible land uses.

Interested persons are invited to comment on the proposed program with specific reference to these factors. All comments, other than those properly addressed to local land use authorities, will be considered by the FAA to the extent practicable. Copies of the noise exposure maps, the FAA's evaluation of the maps, and the proposed noise compatibility program are available for examination at the following locations:

Federal Aviation Administration, 800 Independence Avenue, SW., Room 617, Washington, D.C. 20591
Federal Aviation Administration, Minneapolis Airports District Office, Room 102, 6020 28th Avenue South, Minneapolis Minnesota 55450
Office of the Airport Director, Kenosha Regional Airport, 9900 52nd Street, Kenosha, Wisconsin 53144
Wisconsin Bureau of Aeronautics, State Transportation Building, Room 701, 4802 Sheboygan Avenue, Madison, Wisconsin 53707

Questions may be directed to the individual named above under the heading, **FOR FURTHER INFORMATION CONTACT.**

Issued in Minneapolis, Minnesota, September 27, 1995.

Franklin D. Benson,

Manager, Minneapolis Airports District Office, FAA Great Lakes Region.

BILLING CODE 4910-13-M

RTCA, Inc.; Special Committee 186; Automatic Dependent Surveillance—Broadcast (ADS-B)

Pursuant to section 10(a)(2) of the Federal Advisory Committee Act (P.L. 92-463, 5 U.S.C., Appendix 2), notice is hereby given for Special Committee 186 meeting to be held November 1-2, 1995, beginning at 9 a.m. The meeting will be held at RTCA, Inc., 1140 Connecticut Avenue, NW., Suite 1020, Washington, DC 20036.

The agenda will include: (1) Chairman's Introductory Remarks/ Review of Meeting Agenda; (2) Review and Approval of Minutes of the Previous Meeting; (3) Report of Working Group Activities: a. Working Group 1 Report (Operations Working Group); b. Working Group 2 Report (Technical Working Group); (4) Discussion of SC-186 Terms of Reference; (5) Other Business; (6) Date and Place of Next Meeting.

Attendance is open to the interested public but limited to space availability. With the approval of the chairman,

members of the public may present oral statements at the meeting. Persons wishing to present statements or obtain information should contact the RTCA Secretariat, 1140 Connecticut Avenue, NW., Suite 1020, Washington, DC 20036; (202) 833-9339 (phone) or (202) 833-9434 (fax). Members of the public may present a written statement to the committee at any time.

Issued in Washington, DC, on October 10, 1995.

Janice L. Peters,

Designated Official.

BILLING CODE 4810-13-M

DEPARTMENT OF THE TREASURY

Departmental Offices; Debt Management Advisory Committee Meeting

Notice is hereby given, pursuant to 5 U.S.C. App. 10(a)(2), that a meeting will be held at the U.S. Treasury Department, 15th and Pennsylvania Avenue, N.W., Washington, D.C., on October 31 and November 1, 1995, of the following debt management advisory committee:

Public Securities Association
Treasury Borrowing Advisory Committee

The agenda for the meeting provides for a technical background briefing by Treasury staff on October 31, followed by a charge by the Secretary of the Treasury or his designate that the committee discuss particular issues, and a working session. On November 1, the committee will present a written report of its recommendations.

The background briefing by Treasury staff will be held at 11:30 a.m. Eastern time on October 31 and will be open to the public. The remaining sessions on October 31 and the committee's reporting session on November 1 will be closed to the public, pursuant to 5 U.S.C. App. 10(d).

This notice shall constitute my determination, pursuant to the authority placed in heads of departments by 5 U.S.C. App 10(d) and vested in me by Treasury Department Order No. 101-05, that the closed portions of the meeting are concerned with information that is exempt from disclosure under 5 U.S.C. 552b(c)(9)(A). The public interest requires that such meetings be closed to the public because the Treasury Department requires frank and full advice from representatives of the financial community prior to making its final decision on major financing operations. Historically, this advice has been offered by debt management

advisory committees established by the several major segments of the financial community. When so utilized, such a committee is recognized to be an advisory committee under 5 U.S.C. App. 3.

Although the Treasury's final announcement of financing plans may not reflect the recommendations provided in reports of the advisory committee, premature disclosure of the committee's deliberations and reports would be likely to lead to significant financial speculation in the securities market. Thus, these meetings fall within the exemption covered by 5 U.S.C. 552b(c)(9)(A).

The Office of the Under Secretary for Domestic Finance is responsible for maintaining records of debt management advisory committee meetings and for providing annual reports setting forth a summary of committee activities and such other matters as may be informative to the public consistent with the policy of 5 U.S.C. 552b.

Dated: October 10, 1995.

John D. Hawke, Jr.,

Under Secretary (Domestic Finance).

BILLING CODE 4810-25-M

Customs Service

Public Information Collection Requirements Request for Public Input; Application for Customs Approval/Accreditation to Commercial Gaugers and Commercial Laboratories

AGENCY: U.S. Customs Service, Department of the Treasury.

ACTION: Announcement of information collection; Request for comments.

SUMMARY: As part of its continuing effort to reduce paperwork and respondent burden, Customs invites the general public and other Federal agencies to comment on an information collection requirement concerning Application for Customs Approval/Accreditation to Commercial Gaugers and Commercial Laboratories. This request for comment is being made pursuant to the Paperwork Reduction Act of 1995 (Public Law 104-13; 44 U.S.C. 3506(c)(2)(A)).

DATES: Written comments should be received on or before December 4, 1995, to be assured of consideration.

ADDRESSES: Direct all written comments to U.S. Customs Service, Printing and Records Services Group, Room 6216, 1301 Constitution Ave., NW., Washington, DC 20229.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the form(s) and instructions should be directed to U.S. Customs Service, Attn: Norman Waits, Room 6216, 1301 Constitution Avenue NW., Washington, DC 20229, Tel. (202) 927-1551.

SUPPLEMENTARY INFORMATION: Customs invites the general public and other Federal agencies to comment on proposed and/or continuing information collections pursuant to the Paperwork Reduction Act of 1995 (Public Law 104-13; 44 U.S.C. 3506(c)(2)(A)). The comments should address the accuracy of the burden estimates and ways to minimize the burden including the use of automated collection techniques or the use of other forms of information technology, as well as other relevant aspects of the information collection. The comments that are submitted will be summarized and included in the Customs request for Office of Management and Budget (OMB) approval. All comments will become a matter of public record. In this document Customs is soliciting comments concerning the following information collection:

Title: Application for Customs Approval/Accreditation to Commercial Gaugers and Commercial Laboratories.

OMB Number: 1515-0155.

Form Number: N/A.

Abstract: This collection of information is required from individuals and businesses in establishing the applicant's credentials so that Customs can determine whether or not the applicant meets the requirements for accreditation and is qualified to analyze importations.

Current Actions: Section 613 of Public Law 103-182 (NAFTA Implementation Act) directs Customs to establish a procedure to accredit privately owned testing laboratories. The application and resulting fee collection procedures have been established to comply with the statute.

Type of Review: Revision.

Affected Public: Business or other for-profit institutions, Individuals or households.

Estimated Number of Respondents: 85.

Estimated Time Per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 100.

Dated: October 2, 1995.

V. Carol Barr,

Leader, Printing and Records Services Group.
