

in Docket No. CP96-11-000 a petition pursuant to Rule 207 of the Commission's Rules of Practice and Procedure (18 CFR 385.207) for a declaratory order that certain pipeline and measuring facilities with appurtenances, to be abandoned by spin-off to Citrus Energy by Florida Gas Transmission Company (FGT), would be gathering facilities, upon the acquisition by Citrus Energy, and therefore would be exempt from the jurisdiction of the Commission under Section 1(b) of the Natural Gas Act.

Citrus Energy states that the facilities consists of approximately 289.31 miles of various (2-inch to 20-inch) diameter lines, along with measuring and other appurtenant facilities such as communication equipment, measuring equipment, valves and other miscellaneous facilities or appurtenances attached to the laterals. Citrus Energy states further that Citrus Energy's petition is the companion to the application filed by FGT on October 5, 1995 and now pending in Docket No. CP96-12-000, to abandon the subject facilities.

It is stated that the facilities are located in Hidalgo, Starr, Brooks, Kenedy, Kleberg and Nueces Counties, Texas.

Any person desiring to be heard or to make any protest with reference to said petition should on or before November 2, 1995, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to the proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Florida Gas Transmission Company; Notice of Application

October 12, 1995.

Take notice that on October 5, 1995, Florida Gas Transmission Company (FGT), P.O. Box 1188 Houston, Texas 77251-1188, filed in Docket No. CP96-

12-000 an application pursuant to Section 7(b) of the Natural Gas Act for permission and approval to abandon, by spinning down to Citrus Energy Services, Inc. (Citrus Energy) certain pipeline and measuring facilities with appurtenances, all as more fully set forth in the application which is on file with the Commission and open to public inspection.

FGT states that the facilities consists of approximately 289.31 miles of various (2-inch to 20-inch) diameter lines, along with measuring and other appurtenant facilities such as communication equipment, measuring equipment, valves and other miscellaneous facilities or appurtenances attached to the laterals.

FGT states further that the facilities are located in Hidalgo, Starr, Brooks, Kenedy, Kleberg and Nueces Counties, Texas.

Any person desiring to be heard or any person desiring to make any protest with reference to said application should on or before November 2, 1995, file with the Federal Energy Regulatory Commission, Washington, D.C. 20426, a motion to intervene or a protest in accordance with the requirements of the Commission's Rules of Practice and Procedure (18 CFR 385.214 or 385.211) and the Regulations under the Natural Gas Act (18 CFR 157.10). All protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding. Any person wishing to become a party to a proceeding or to participate as a party in any hearing therein must file a motion to intervene in accordance with the Commission's Rules.

Take further notice that, pursuant to the authority contained in and subject to the jurisdiction conferred upon the Federal Energy Regulatory Commission by Sections 7 and 15 of the Natural Gas Act and the Commission's Rules of Practice and Procedure, a hearing will be held without further notice before the Commission or its designee on this application if no motion to intervene is filed within the time required herein, if the Commission on its own review of the matter finds that permission and approval for the proposed abandonment are required by the public convenience and necessity. If a motion for leave to intervene is timely filed, or if the Commission on its own motion believes that a formal hearing is required, further notice of such hearing will be duly given.

Under the procedure herein provided for, unless otherwise advised, it will be

unnecessary for FGT to appear or be represented at the hearing.

Lois D. Cashell,

Secretary.

ENVIRONMENTAL PROTECTION AGENCY

[OPPTS-140239; FRL-4983-7]

Access to Confidential Business Information by Illinois Environmental Protection Agency

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: EPA has authorized its contractor, the State of Illinois Environmental Protection Agency, access to information which has been submitted to EPA under all sections of the Toxic Substances Control Act (TSCA). Some of the information may be claimed or determined to be confidential business information (CBI).

DATES: Access to the confidential data submitted to EPA will occur no sooner than November 1, 1995.

FOR FURTHER INFORMATION CONTACT: Susan B. Hazen, Director, Environmental Assistance Division (7408), Office of Pollution Prevention and Toxics, Environmental Protection Agency, Rm. E-545, 401 M St., SW., Washington, DC 20460, (202) 554-1404, TDD: (202) 554-0551; e-mail: TCSA-Hotline@epamail.epa.gov.

SUPPLEMENTARY INFORMATION: Under contract number 68-W5-0039, the State of Illinois Environmental Protection Agency will review information directed to EPA under the authority of TSCA, including CBI, and determine the value of such information to its toxics programs. This contractor will produce a paper containing a summary of its findings to be directed to EPA.

In accordance with 40 CFR 2.306(j), EPA has determined that under EPA contract number 68-W5-0039, the identified contractor will require access to information, including CBI, submitted to EPA under all sections of TSCA to perform successfully the duties specified under the contract.

EPA is issuing this notice to inform all submitters of information under all sections of TSCA that EPA may provide access to these CBI materials on a need-to-know basis only. All access to TSCA CBI under this contract will take place at EPA Headquarters and at the State/contractor toxics facility headquarters

located at 2200 Churchill Road, Springfield, Illinois 62794.

The contractor will be required to adhere to a modified version of the security provisions included in the EPA *TSCA Confidential Business Information Security Manual*. These modified provisions do not substantively reduce the level of security afforded TSCA CBI. Copies of the modified version are available from the address referenced above in FOR FURTHER INFORMATION CONTACT. Additional information may be secured from Scott Sherlock, EPA staffer assigned to this project at (202) 260-1536; e-mail: sherlock.scott@epamail.epa.gov.

Before access to TSCA CBI will be authorized at the contractor's site, EPA is required to approve the contractor's security certification statement, perform the required inspection of the facility, and ensure that the facilities are in compliance with the modified security provisions. Upon completing review of the CBI materials, the State/contractor will return all these materials to EPA.

Clearance for access to TSCA CBI under this contract may continue 60 days after the date of commencement, unless EPA agrees to extend it, in which case clearance will be extended to 120 days after the date of commencement.

All contractor personnel having access to TSCA CBI will be required to sign nondisclosure agreements and will be briefed on appropriate security procedures before they are permitted access to TSCA CBI. Additionally, the contractor has provided assurances in writing that the TSCA CBI protections required under this contract are not inconsistent with any existing State provisions.
