**FEDERAL TRADE COMMISSION****Granting of Request for Early Termination of the Waiting Period Under the Premerger Notification Rules**

Section 7A of the Clayton Act, 15 U.S.C. 18a, as added by Title II of the Hart-Scott-Radino Antitrust Improvements Act of 1976, requires persons contemplating certain mergers

or acquisitions to give the Federal Trade Commission and the Assistant Attorney General advance notice and to wait designated periods before consummation of such plans. Section 7A(b)(92) of the Act permits the agencies, in individual cases, to terminate this waiting period prior to its expiration and requires that notice of this action be published in the Federal Register.

The following transactions were granted early termination of the waiting period provided by law and the premerger notification rules. The grants were made by the Federal Trade Commission and the Assistant Attorney General for the Antitrust Division of the Department of Justice. Neither agency intends to take any action with respect to these proposed acquisitions during the applicable waiting period.

**[Docket No. C-2976]****James H. Haren and International Bartending Institute, Inc.**

**AGENCY:** Federal Trade Commission.

**ACTION:** Notice of period for public comment on petition to modify consent order.

**SUMMARY:** James H. Haren, an individual respondent in Docket No. C-2976, and International Bartending Institute, Inc., as successor to International Inventors Inc., East, the corporate respondent in Docket No. C-2976, are subject to an order requiring them, among other things, to give a copy of the order to their "present of future \* \* \* franchise owners \* \* \* who sell [ ] or promote [ ] the sale of respondents' products or services." James H. Haren and International Bartending Institute, Inc. ("IBI") filed a petition on September 12, 1995, requesting the Commission to reopen and alter, modify or set aside in part the order to the extent that they are required to give a copy of the order to present or future IBI franchise owners. This document announces the public comment period on this petition.

**DATES:** The deadline for filing comments in this matter is November 13, 1995.

**ADDRESSES:** Comments should be sent to the Office of the Secretary, Federal Trade Commission, 6th Street and Pennsylvania Avenue, NW., Washington, DC 20580. Requests for

copies of the petition should be sent to the Public Reference Branch, Room 130.

**FOR FURTHER INFORMATION CONTACT:**

Elena Paoli, Attorney, Division of Enforcement, Bureau of Consumer Protection, Federal Trade Commission, Washington, DC 20580, (202) 326-2974.

**SUPPLEMENTARY INFORMATION:** The order in Docket No. C-2976 was issued on July 5, 1979, and reported at 94 F.T.C. 111. The order prohibited Haren and a new-defunct company, International Inventors, Inc., East, from making various misrepresentations regarding the promotion of inventors' ideas. In 1994, the Federal Trade Commission charged Haren and his current company, IBI, a franchisor of bartending schools, with violating the order in Docket No. C-2976 by not providing a copy of the order to the present and future franchise owners of IBI schools. The complaint also charged Haren and IBI with violating the Commission's rule governing Disclosure Requirements and Prohibitions Concerning Franchising and Business Opportunity Ventures, 16 CFR Part 436. Haren and IBI settled the Commission charges by paying a \$50,000 civil penalty and signing a consent decree that was filed in federal district court. *See U.S. v. International Bartending Institute, Inc., and James H. Haren*, Civ. No. 94-1104-A (E.D. Va., August 22, 1994).

Haren and IBI argue that changed conditions of fact and the public interest require modifying the order in Docket No. C-2976 because the order only applied to present or future franchisees of International Inventors, Inc., East, and because prospective franchisees of IBI receive full disclosure of the Commission's order in IBI's Uniform Franchise Offering Circular. Haren and IBI argue that prospective IBI franchisees are confused by the order because the order involves an invention promotion company and does not

involve a bartending school franchise business.

Secretary.
