# Northeast Nuclear Energy Company

#### Millstone Nuclear Power Station, Unit 1

This Board is being established pursuant to a notice published by the Commission on August 30, 1995, in the Federal Register (60 F.R. 45180). ## OFFICE OF MANAGEMENT AND BUDGET

#### Circulars, etc.; A-76

**AGENCY:** Office of Management and Budget, Executive Office of the President.

**ACTION:** Notice of request for comments on the proposed revision to the OMB Circular No. A–76 "Performance of Commercial Activities," *Revised Supplemental Handbook.* 

**SUMMARY:** The Office of Management and Budget (OMB) is seeking agency and public comments on its proposed revision to the Supplemental Handbook issued as a part of its August 1983 OMB Circular No. A–76, "Performance of Commercial Activities." Circular No. A– 76 was originally published in the August 16, 1983, Federal Register, at pages 37110–37116.

The proposed revision seeks the most cost-effective means of obtaining commercial support services and provides new administrative flexibility in the Government's make or buy decision process. The revision modifies and, in some cases, eliminates cost comparison requirements; reduces reporting and other administrative burdens; provides for enhanced employee participation and reviews; eases transition requirements to facilitate employee placement; maintains the level playing field for cost comparisons between Federal and private sector offers; and seeks to improve oversight to ensure that the

most cost effective decision is implemented. The proposed revision improves upon existing guidance by clarifying provisions that may have made the cost comparison process unnecessarily difficult or lead to less than optimal outcomes.

**DATES:** To ensure consideration of all comments on the proposal set forth by this notice, comments must be in writing and received not later than December 15, 1995.

ADDRESSES: Comments should be addressed to: Mr. David C. Childs, Program Examiner, NEOB Room 6104, Office of Management and Budget, 725 17th Street, N.W., Washington, D.C. 20503.

**AVAILABILITY:** Copies of the proposed Revised Supplemental Handbook may be obtained by contacting the Office of Administration, Publications Office, Washington, D.C. 20503, at (202) 395-7332, or FAX (202) 395-6137.
