**Foreign Claims Settlement  
Commission**

**Claims Against Albania; Notice of  
Extension of Deadline for Filing of  
Claims**

**AGENCY:** Foreign Claims Settlement Commission of the United States; Justice.

**ACTION:** Notice.

**SUMMARY:** The Foreign Claims Settlement Commission announces the extension of the deadline for the filing of claims against the Government of Albania for the nationalization, expropriation, confiscation, or other taking of property of United States nationals by the former Albanian

Communist regime. The original notice was published in the Federal Register on June 27, 1995. 60 FR 33234. In addition, potential claimants are advised to submit their claims to the Commission for consideration even if they do not meet the U.S. residency requirement or otherwise have doubt as to whether their claims are compensable.

**DATES:** The new deadline for filing of claims against the Government of Albania with the Foreign Claims Settlement Commission shall be December 29, 1995.

**FOR FURTHER INFORMATION CONTACT:**

David E. Bradley, Chief Counsel, Foreign Claims Settlement Commission of the United States, U.S. Department of Justice, 600 E Street NW., Room 6002, Washington, DC 20579, Tel. (202) 616-6975, FAX (202) 616-6993.

**SUPPLEMENTARY INFORMATION:** Pursuant to sec. 4(b) of Title I of the International Claims Settlement Act of 1949, as amended (22 U.S.C. 1623(b)), the Foreign Claims Settlement Commission hereby gives notice that the period for the filing of claims against the Government of Albania for the nationalization, expropriation, confiscation, or other taking of property of United States nationals by the former Albanian Communist regime has been extended. The new filing deadline shall be December 29, 1995.

Potential claimants are advised that, even if they have doubt as to whether their claims are compensable, they should nevertheless submit them. Specifically, the Commission has not yet decided how to apply the U.S. residency requirement stated in Paragraph 1 of the Agreed Minute to the U.S.-Albania Settlement Agreement. Potential claimants are therefore encouraged to submit their claims to the Commission for consideration, even if they do not meet the U.S. residency requirement.

Failure to submit a claim by December 29, 1995, will foreclose any opportunity to pursue a claim through the United States Government in the future.

Claims forms and other information concerning the Albanian Claims Program may be obtained by mail from the Foreign Claims Settlement Commission, Washington, DC 20579. Claims forms also may be requested by telephone (202-616-6975) or by fax (202-616-6993).

### Mine Safety and Health Administration

#### Summary of Decisions Granting in Whole or in Part Petitions for Modification

**AGENCY:** Mine Safety and Health Administration (MSHA), Labor.

**ACTION:** Notice of affirmative decisions issued by the administrators for coal mine safety and health and metal and nonmetal mine safety and health on petitions for modification of the application of mandatory safety standards.

**SUMMARY:** Under section 101(c) of the Federal Mine Safety and Health Act of 1977, the Secretary of Labor may modify the application of a mandatory safety standard to a mine if the Secretary determines either that an alternate method exists at a specific mine that will guarantee no less protection for the miners affected than that provided by the standard, or that the application of the standard at a specific mine will result in a diminution of safety to the affected miners.

Summaries of petitions received by the Secretary appear periodically in the Federal Register. Final decisions on these petitions are based upon the petitioner's statements, comments and information submitted by interested persons, and a field investigation of the conditions at the mine. MSHA has granted or partially granted the requests for modification submitted by the petitioners listed below. In some instances the decisions are conditioned upon compliance with stipulations stated in the decision.
