DEPARTMENT OF THE INTERIOR

Bureau of Indian Affairs

Proposed Finding Against Federal Acknowledgment of the Yuchi Tribal Organization

AGENCY: Bureau of Indian Affairs, Interior.

ACTION: Notice of proposed finding.

SUMMARY: Pursuant to 25 CFR 83.10(e) of the revised Federal acknowledgment regulations, which became effective March 28, 1994, notice is hereby given that the Assistant Secretary-Indian Affairs (Assistant Secretary) proposes to decline to acknowledge that the Yuchi Tribal Organization, c/o Melvin George, P.O. Box 1990, Sapulpa, Oklahoma 74067, exists as an Indian tribe within the meaning of Federal law. This notice is based on a determination that the Yuchi Tribal Organization does not meet one of the seven mandatory criteria set forth in 25 CFR 83.7, specifically, criterion 83.7(f). Therefore, the Yuchi Tribal Organization does not meet the requirements necessary for a government-to-government relationship with the United States.

DATES: As provided by 25 CFR 83.10(e)(1) and 83.10(h) through 83.10(1), any individual or organization wishing to challenge the proposed finding may submit factual or legal arguments and evidence to rebut or support the evidence relied upon. This material must be submitted within 180 calendar days from the date of publication of this notice.

ADDRESSES: Comments on the proposed finding and/or requests for a copy of the report summarizing the evidence, reasoning, and analyses that are the basis for the proposed decision should be addressed to the Office of the

Assistant Secretary, 1849 C Street, N.W., Washington, DC 20240, Attention: Branch of Acknowledgment and Research, Mail Stop 2611-MIB.

FOR FURTHER INFORMATION CONTACT: Holly Reckord, Chief, Branch of Acknowledgment and Research, (202) 208-3592.

SUPPLEMENTARY INFORMATION: This notice is published in the exercise of authority delegated by the Secretary of the Interior to the Assistant Secretary by 209 DM 8.

This proposed finding against acknowledgment of the Yuchi Tribal Organization has been prepared under section 83.10(e) of the acknowledgment regulations. Section 83.10(e) provides for an expedited finding on a single criterion where there is clear evidence, based on the preliminary review, that the petitioner could not meet the requirements of criteria 83.7 (e), (f), or (g).

There was clear evidence, based on the preliminary technical assistance review, that the Yuchi Tribal Organization did not meet the criterion in section 83.7(f). Section 83.7(f), in brief, requires that a petitioner not be principally composed of members of another, already acknowledged tribe. This section also describes conditions which would provide for an exception to this requirement in rare instances. The conditions are that the group must establish that it has functioned throughout history until the present as a separate and autonomous Indian tribal entity, that its members do not maintain a bilateral political relationship with an acknowledged tribe, and that its members have provided written confirmation of their membership in the petitioning group.

The requirement to not be maintaining a bilateral political relationship with a recognized tribe and to have historically been a separate and autonomous Indian tribal entity embody the intent of the regulations to only acknowledge as tribes groups that are in fact politically autonomous of other Indian tribes. In so doing, criterion (f) "allows for acknowledgment of rare cases where the petitioner has been regarded, erroneously, as part of or associated with another tribe, but has been a separate, autonomous group throughout history," while the criterion "prohibits use of the regulations to acknowledge portions of already recognized tribes" (59 FR 9289).

The membership roll of the Yuchi Tribal Organization contains 165 names. Of these individuals, 151, or 92 percent, were confirmed to be members of the Muscogee Creek Nation of Oklahoma, a

federally recognized tribe. Thus, they are principally members of a recognized tribe.

The Yuchi Tribal Organization members did not meet the requirements for an exception to 83.7(f). Members of the Yuchi Tribal Organization, including its leaders, have consistently participated in the political process of the Muscogee Creek Nation of Oklahoma from 1962 to the present. The group is, therefore, not autonomous within the meaning of the regulations. The conditions of enrollment in the Muscogee Creek Nation require affirmative consent by the enrolled as well as specific action by the Citizenship Board, an independent commission within the Muscogee Creek Nation government. This roll, therefore, demonstrates a bilateral political relationship between those enrolled and the Muscogee Creek Nation. Finally, almost none of the members of the Yuchi Tribal Organization have provided written confirmation that they consent to be members of the Yuchi Tribal Organization.

Based on these factual determinations, we conclude that the Yuchi Tribal Organization does not meet the requirements of criterion 83.7(f) and should not be granted Federal acknowledgment under 25 CFR part 83.

As provided by 25 CFR 83.10(h) of the revised regulations, a report summarizing the evidence, reasoning, and analyses that are the basis for the proposed decision will be provided to the petitioner and interested parties, and is available to other parties upon written request. Comments on the proposed finding and/or requests for a copy of the report should be addressed to the Office of the Assistant Secretary, Bureau of Indian Affairs, 1849 C Street, N.W., Washington, DC 20240, Attention: Branch of Acknowledgment and Research, Mail Stop 2611-MIB. Commenters may comment on any aspect of the finding or the history and character of the Yuchi Tribal Organization. Third parties must simultaneously supply copies of their comments to the petitioner in order for them to be considered by the Department of the Interior.

During the response period, the Assistant Secretary shall provide technical advice concerning the proposed finding and shall make available to the petitioner in a timely fashion any records used for the proposed finding not already held by the petitioner, to the extent allowable by Federal law (83.10(j)(1)). In addition, the Assistant Secretary shall, if requested by the petitioner or any interested party,
