Distrigas of Massachusetts Corporation; Notice of Refund Report

October 19, 1995.

Take notice that on October 17, 1995, Distrigas of Massachusetts Corporation (DOMAC) tendered for filing a report of refunds it received on September 29, 1995 by wire transfer in the amount of \$24,297 from the Gas Research Institute (GRI) covering the 1994 Tier 1 refund. DOMAC states that the payment to DOMAC resulted from a settlement approved by the Federal Energy Regulatory Commission (FERC) on February 22, 1995, concerning overcollections by GRI of funds required of its member pipelines. Order

Approving Refund Methodology for 1994 Overcollections, 70 FERC ¶61,205. Pursuant to the FERC's February 22, 1995, order, member pipelines receiving refunds are required to make credits pro rata to all eligible firm customers and to file a refund report within 15 days of making such credits.

DOMAC states that it has no firm customers who would be eligible for such credits. DOMAC states that unlike other member pipelines, DOMAC does not pass through its GRI funding obligations to its firm customers and consequently no firm customer has borne these costs. Instead, DOMAC states that it has funded its obligations to GRI out of its own sales margin. DOMAC states that it will not therefore be crediting this refund to any of its firm customers.
