Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff

October 19, 1995.

Take notice that on October 13, 1995, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing to become part of its FERC Gas Tariff, Third Revised Volume No. 1, Second Revised Sheet No. 374Q, which tariff sheet is proposed to be effective September 1, 1995.

Transco states that the purpose of the instant filing is to revise Section 50.4 of the General Terms and Conditions of Transco's Volume No. 1 Tariff in order to extend certain cash out benefits to shippers transporting liquefiables

pursuant to a liquefiable transportation agreement with Transco. Currently, shippers transporting liquefiables pursuant to a liquefiable transportation agreement are subject to the provisions of Section 5.3 of Rate Schedule IT, but not subject to the provisions of Section 5.5 of Rate Schedule IT.

In this filing, Transco states that it proposes to revise Section 50.4(b) of the General Terms and Conditions to provide that a shipper's imbalance associated with transportation service provided under a liquefiable transportation agreement be aggregated with that shipper's imbalance associated with transportation service under Rate Schedule IT. These combined imbalance volumes will then be minimized in accordance with Section 5.5 of Rate Schedule IT so as to reduce the transportation volumes subject to cash out.

Transco states that it is serving copies of the instant filing to its customers, State Commissions and other interested parties.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426, in accordance with Sections 385.214 and 385.211 of the Commission's Rules and Regulations. All such motions or protests should be filed on or before October 26, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
