Notification of Selection

Following review and evaluation, an organization will be selected and will be notified by a representative of the Assistant Secretary. Any applicant whose proposal is not selected will be notified in writing to that effect. Notice of selection as a potential grant recipient will not constitute approval of the grant application as submitted. Prior to the actual grant award, representatives of the potential grant recipient and OSHA will enter into negotiations concerning such items as review guidelines, final funding levels, and administrative systems. If negotiations do not result in an acceptable submittal, the Assistant Secretary reserves the right to terminate the negotiation and decline to fund the proposal.

Signed at Washington, DC, this 20th day of October, 1995.

Joseph A. Dear,
Assistant Secretary.

NUCLEAR REGULATORY COMMISSION

Documents Containing Reporting or Recordkeeping Requirements: Notice of Pending Submittal to the Office of Management and Budget (OMB) for Review

AGENCY: U. S. Nuclear Regulatory Commission (NRC).

ACTION: Notice of pending NRC action to submit an information collection request to OMB and solicitation of public comment.

SUMMARY: The NRC is preparing a submittal to OMB for review or continued approval of information collection under the provisions of the Paperwork Reduction Act (44 U.S.C. Chapter 35).

Information pertaining to the requirement to be submitted:

1. The title of the information collection: 10 CFR Parts 20 Standards for Protection Against Radiation.
2. Current OMB approval number: 3150-0014.
3. How often is the collection required: Annually.
4. Who is required or asked to report: NRC licensees.
5. The number of respondents: 773.
6. The number of hours needed annually to complete the requirement or request: 209,605.
7. Abstract: 10 CFR Part 20 establishes standards for protection against ionizing radiation resulting from activities conducted under licenses issued by the NRC. These standards in part require the establishment of radiation protection programs, the maintenance of radiation records, the recording of radiation received by workers, the reporting of incidents which could cause exposure to radiation and the submittal of an annual report to NRC of the results of individual monitoring. These mandatory requirements are needed to protect occupationally exposed individuals from undue risks of excessive exposure to ionizing radiation and to protect the health and safety of the public.

Submit, by December 29, 1995, comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the burden estimate accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection be minimized, including the use of automated collection techniques or other forms of information technology?

[Docket No. 50-213]

Connecticut Yankee Atomic Power Company; Notice of Withdrawal of Application for Amendment to Facility Operating License

The U.S. Nuclear Regulatory Commission (the Commission) has granted the request of Connecticut Yankee Atomic Power Company (the licensee) to withdraw its August 3, 1995, application for proposed amendment to Facility Operating License No. DPR-61 for the Haddam Neck Plant, located in Middlesex County, Connecticut.

The proposed amendment would have revised the facility technical specifications pertaining to the water temperature of the ultimate heat sink.

The Commission had previously issued a Notice of Consideration of Issuance of Amendment published in the Federal Register on August 30, 1995 (60 FR 45179). However, by letter dated October 12, 1995, the licensee withdrew the proposed change.

For further details with respect to this action, see the application for amendment dated August 3, 1995, and the licensee's letter dated October 12, 1995, which withdrew the application for license amendment. The above documents are available for public inspection at the Commission's Public Document Room, the Gelman Building, 2120 L Street, NW., Washington, DC, and at the local public document room located at the Russell Library, 123 Broad Street, Middletown, CT 06457.
