[Docket No. RP95-197-005]

Transcontinental Gas Pipe Line Corporation; Notice of Proposed Changes in FERC Gas Tariff

October 25, 1995.

Take notice that on October 19, 1995, Transcontinental Gas Pipe Line Corporation (Transco) tendered for filing certain revised tariff sheets to its FERC Gas Tariff, Third Revised Volume No. 1, which tariff sheets are enumerated in Appendix A attached to the filing. Such tariff sheets are proposed to be effective October 4 and November 1, 1995.

Transco states that the purpose of the instant filing is to revise currently effective tariff provisions to comply with the October 4, 1995 "Order Following Technical Conference" (October 4 Order) which directed Transco, among other things, to (i) clarify that Section 49 of its General Terms and Conditions only applies to existing capacity and to provide a detailed explanation of the type of existing capacity that may become available that would be subject to the requirements of Section 49(ii) revised Section 49.1(b) to provide a minimum bid period of 5 business days for firm

capacity which will be available for more than 1 month but less than 12 months (iii) revise Section 49.1(c) to provide a minimum bid period of 30 business days for firm capacity which becomes available for 12 months or longer (iv) revise Section 48.2 of its General Terms and Conditions to provide for a minimum bid period of 15 days for capacity subject to the right of first refusal and (v) revise Section 43.3 of the General Terms and Conditions to provide that the posting requirement applies to any affiliate, not just a marketing affiliate. In compliance with the October 4 Order, Transco is submitting the revised tariff sheets contained in Appendix A.

Transco respectfully requests that the Commission grant a waiver of Section 154.22 of its Regulations, and any other waivers that may be necessary, in order that the enclosed tariff sheets, be made effective as proposed herein.

Transco states that it is serving copies of the instant filing to its customers, State Commissions and interested parties to Docket No. RP95-197.

Any person desiring to protest said filing should file a protest with the Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC
