

SUMMARY: On August 17, 1995, the Department of Commerce (the Department) published in the Federal Register the preliminary results of administrative review of the antidumping finding on pressure sensitive plastic tape (PSPT) from Italy. The review covers two manufacturers/exporters of the subject merchandise shipped to the United States during the period October 1, 1993, through September 30, 1994. We did not receive any comments on the preliminary results. Therefore, the dumping margins for the reviewed companies are unchanged from the preliminary results.

EFFECTIVE DATE: October 31, 1995.

FOR FURTHER INFORMATION CONTACT: Todd Peterson or Thomas Futtner, Office of Antidumping Compliance, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, N.W., Washington, D.C. 20230; telephone (202) 482-4195 or 482-3814, respectively.

SUPPLEMENTARY INFORMATION:

Background

The Department published the preliminary results of this review on August 17, 1995 (60 FR 42845). The Department has now completed this administrative review in accordance with section 751 of the Tariff Act of 1930, as amended.

Applicable Statute and Regulations

The Department is conducting this review in accordance with section 751(a) of the Tariff Act of 1930, as amended (the Act). Unless otherwise indicated, all citations to the statute and to the Department's regulations are in reference to the provisions as they existed on December 31, 1994.

Scope of the Review

Imports covered by the review are shipments of PSPT measuring 1 $\frac{3}{8}$ inches in width and not exceeding 4 mils in thickness. During the period of review (POR), the above described PSPT was classified under HTS subheadings 3919.90.20 and 3919.90.50. The HTS subheadings are provided for convenience and for U.S. Customs purposes. The written description remains dispositive as the scope of the product coverage. The period of review is October 1, 1993, through September 30, 1994.

Final Results of Review

The Department received no comments on its preliminary results. Therefore, the margins from the

preliminary results have not changed for the final results of review.

Manufacturer/exporter	Margin (percent)
Autoadesivi Magri	12.66
N.A.R. S.p.A.	12.66

The Department shall determine, and the U.S. Customs Service shall assess, antidumping duties on all appropriate entries. The Department shall issue appraisement instructions for each exporter directly to the U.S. Customs Service.

Furthermore, the following deposit requirements will be effective for all shipments of the subject merchandise, entered, or withdrawn from warehouse, for consumption on or after the publication date of these final results of this administrative review, as provided for by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed firms will be those firm's rates established in the final results of this administrative review; (2) for previously reviewed or investigated companies not listed above, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be the rate established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters not previously reviewed will be 12.66 percent, the "new shipper" rate established in the first notice of final results of administrative review published by the Department (48 FR 35686, August 5, 1983).

These deposit requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a final reminder to importers of their responsibility under 19 CFR 353.26 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This notice also serves as a reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 353.34(d). Timely written

notification or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and the terms of the APO is a sanctionable violation.

This administrative review and notice are in accordance with section 751(a)(1) of the Tariff Act (19 U.S.C. 1675(a)(1)) and 19 CFR 353.22.

Dated: October 20, 1995.

Susan G. Esserman,
Assistant Secretary for Import Administration.
