

program implementation. For covered entities that wish to utilize contracted pharmacy services to dispense section 340B outpatient drugs, the Office of Drug Pricing is proposing a contracted pharmacy service agreement between the covered entity and the pharmacy which would include the following provisions:

(a) The covered entity will purchase the drug. A "ship to-bill to" procedure may be used in which the covered entity purchases the drug, the manufacturer bills the covered entity for the drugs that it purchased but ships the drugs directly to the contracted pharmacy.

(b) The contractor will provide all pharmacy services (e.g., dispensing, record keeping, drug utilization review, formulary maintenance, patient profile, counseling). Each facility which purchases its covered outpatient drugs has the option of individually contracting for pharmacy services with the pharmacy of its choice. The limitation of one pharmacy contractor per facility does not preclude the selection of a pharmacy contractor with multiple pharmacy sites, as long as only one site is used for the contracted services. [The Office of Drug Pricing will be evaluating the feasibility of permitting these facilities to contract with more than one site and contractor.]

(c) If the patient does not elect to use the contracted service, the patient may obtain the prescription from the pharmacy provider of his/her choice.

(d) The contractor may provide the covered entity services, other than pharmacy, at the option of the covered entity (e.g., home care, reimbursement services).

(e) The contractor and the covered entity will adhere to all Federal, State, and local laws and requirements. Additionally, all PHS grantees will adhere to all rules and regulations established by the grant funding office.

(f) The contractor will provide the covered entity quarterly financial statements, a detailed status report of collections, and a summary of receiving and dispensing records.

(g) The contractor will establish and maintain a tracking system suitable to prevent diversion of section 340B discounted drugs to individuals who are not patients of the covered entity.

(h) Both parties agree that they will not resell or transfer a drug purchased at section 340B pricing to an individual who is not a patient of the covered entity. See section 340B(a)(5)(B). If a contract pharmacy is found to have violated this prohibition, the pharmacy will pay the entity the amount of the discount in question so that the entity can reimburse the manufacturer.

(i) A covered entity using contracted pharmacy services will not use drugs purchased under section 340B to dispense Medicaid prescriptions unless the contract pharmacy and the state Medicaid agency have established an arrangement which will prevent duplicate discounts/rebates.

(j) Both parties understand that they are subject to audits (by the PHS and participating manufacturers) of records that directly pertain to the entity's compliance with the drug resale or transfer prohibition and the prohibition against duplicate Medicaid rebates and PHS discounts. See section 340B(a)(5).

(k) Upon request, a copy of this contracted pharmacy service agreement will be provided to a participating manufacturer which sells covered outpatient drugs to the covered entity. All confidential proprietary information may be deleted from the document.

Covered entities which elect to utilize this contracted pharmacy mechanism must submit to the Office of Drug Pricing a certification that they have signed an agreement with the contracted pharmacy containing the aforementioned provisions.

ACTION: Notice of Intent and Public Scoping Meeting.

SUMMARY: This notice advises the public that the Bureau of Indian Affairs, in cooperation with the Cortina Indian Rancheria of Wintun Indians, intends to prepare an Environmental Impact Statement (EIS) for a proposed lease to construct and operate an integrated waste management facility on the Cortina Rancheria of the Cortina Band of Wintun Indians in Colusa County, California. The public will be invited to participate in the scoping process, review of the draft EIS, and a public meeting.

This notice is published in accordance with the National Environmental Policy Act (NEPA) regulations found in 40 CFR 1501.7. The purpose of this notice is to solicit suggestions and information from other agencies and the public on the scope of issues to be addressed in the EIS. Comments and participation in this scoping process are encouraged.

DATES: Comments should be received by November 29, 1995. A public scoping meeting will be held on November 16, 1995.

ADDRESSES: Comments should be addressed to Mr. Ronald Jaeger, Area Director, Sacramento Area Office, 2800 Cottage Way, Room W-2550, Sacramento, California 95825. A public scoping meeting will be held on November 16, 1995, at 7:30 p.m. at the Cortina Indian Rancheria Satellite Office

FOR FURTHER INFORMATION CONTACT: Mr. Robert Eckart, Area Environmental Protection Specialist, Bureau of Indian Affairs, Sacramento Area Office, 2800 Cottage Way, Room W-2550, Sacramento, California 95825, telephone number (916) 979-2575.

SUPPLEMENTARY INFORMATION: Cortina Integrated Waste Management, Inc. proposes to lease 443 acres of the Cortina Indian Rancheria for the purpose of constructing and operating an integrated waste management facility for recycling or disposal of a variety of non-hazardous wastes. The project will be required to meet all applicable environmental standards and regulations.

The proposed project includes a 200-acre sanitary landfill, a non-source separated materials recovery facility, an organic waste composting area, and a petroleum-contaminated (PC) soils bioremediation facility. The facility would receive daily shipments of municipal solid waste, compostable organic wastes, and PC soils from nearby counties. Approximately 400 to 1,500 tons per day of waste materials would be delivered to the facility by truck. Offsite roadway improvements would be necessary.

The Cortina Indian Rancheria is located in the foothills that form the west side of the Sacramento Valley in southwestern Colusa County approximately 50 miles northwest of the city of Sacramento. The Rancheria is in a sparsely populated area with cattle grazing being the predominant land use in the vicinity. The project site has moderately to steeply sloping terrain covered with oak woodland and chaparral and is currently undeveloped.

The EIS will assess alternatives to the proposed project, including: (1) A smaller project; (2) a project without composting, recycling, or PC soils remediation; and (3) no project. The EIS will address numerous environmental issues, including: geology, topography, soils, water resources, air quality, living resources, cultural resources, traffic, land use, visual resources, socioeconomic, public health and safety, and noise. The range of issues addressed may be expanded based on comments received during the scoping process.
