Instructions to Customs

The Department will instruct the U.S. Customs Service to liquidate without regard to countervailing duties all unliquidated entries of certain textile mill products from Argentina not covered by the attached Appendix that were exported from Argentina on or after November 9, 1992. The Department will also instruct the U.S. Customs Service to liquidate at the appropriate countervailing duty rate all unliquidated entries of the subject merchandise covered in the attached Appendix that were exported on or after November 9, 1992, and on or before December 31, 1993. With the finalization of this scope conversion, the Department can now evaluate the merits of a standing issue affecting merchandise exported on or after January 1, 1994, which entered on or before December 31, 1994. Pending that determination, merchandise covered by the order exported on or after January 1, 1994, which entered on or before December 31, 1994, will remain suspended.

In addition, since this order was revoked effective January 1, 1995 (See *Revocation of Countervailing Duty Orders* (60 FR 40568; August 9, 1995)), the Customs Service has terminated the suspension of liquidation for all entries, and withdrawals from warehouse, of certain textile mill products from Argentina made on or after January 1, 1995.

Dated: October 23, 1995.

Joseph A. Spetrini,

Deputy Assistant Secretary for Compliance.
