DEPARTMENT OF DEFENSE

Department of the Air Force

Record of Decision (ROD) for the Disposal and Reuse of Portions of Grissom Air Force Base (AFB), IN

On October 11, 1995, the Air Force signed the Record of Decision (ROD) for the Disposal and Reuse of portions of Grissom AFB. The decisions included in this ROD have been made in consideration of, but not limited to, the information contained in the Final Environmental Impact Statement (FEIS) for the Disposal and Reuse of Grissom AFB, filed with the Environmental Protection Agency on September 16, 1994.

Grissom AFB realigned on September 30, 1994, pursuant to the Defense Base Closure and Realignment Act of 1990 (DBCRA) (Public Law 101-510), and recommendations of the Defense Base Closure and Realignment Commission. Grissom AFB realigned with the Air Force Reserve 434th Refueling Wing and the U.S. Army Reserves. Approximately 51 percent of Grissom AFB is being retained within a military cantonment area known as the Grissom Air Reserve Base. This ROD documents the decisions made by the Air Force on the division of parcels, the method by which parcels are to be conveyed or transferred, and the mitigation measures to be adopted to dispose of the remaining 49 percent of the base.

The decision in this ROD is to dispose of the base consistent with the reuse plan to allow for a balance between: the development of commercial, retail and industrial sites for job creation; the development of institutional, medical and recreational areas; the development of multi-family housing; and the retention of certain open spaces.

Approximately 1,344 fee acres are surplus to the needs of the Federal Government. The base has been divided into twenty-seven (27) parcels of land to include roadway and utility easements.

One (1) parcel comprised of approximately 150 acres will be assigned to the U.S. Department of Justice for disposal as a public benefit conveyance to the State of Indiana for use as a prison. If this assignment is not consummated, the 150 acres will be combined with ten (1) parcels comprising approximately 766 acres planned for an Economic Development Conveyance to the Grissom Redevelopment Authority. One (1) parcel will be assigned to the U.S. Department of the Interior for disposal as a public benefit conveyance for recreational use. Three (3) parcels will
