FEDERAL RESERVE SYSTEM

Agency Forms Under Review

AGENCY: Board of Governors of the Federal Reserve System.

ACTION: Notice.

BACKGROUND: On June 15, 1984, the Office of Management and Budget (OMB) delegated to the Board of Governors of the Federal Reserve System (Board) its approval authority under the Paperwork Reduction Act of 1995, as per 5 CFR 1320.16, to approve of and assign OMB control numbers to collection of information requests and requirements conducted or sponsored by the Board under conditions set forth in 5 CFR 1320 Appendix A.1. The Federal Reserve may not conduct or sponsor, and the respondent is not required to respond to, an information collection that has been extended, revised, or implemented on or after October 1, 1995, unless it displays a currently valid OMB control number. Board-approved collections of information will be incorporated into the official OMB inventory of currently approved collections of information. A copy of the OMB 83-I and supporting statement and the approved collection of information instrument(s) will be placed into OMB's public docket files. The following information collections, which are being handled under this delegated authority, have received initial Board approval and are hereby published for comment. At the end of the comment period, the proposed information collection, along with an analysis of comments and recommendations received, will be submitted to the Board for final approval under OMB delegated authority. Comments are invited on:

(a) whether the proposed collection of information is necessary for the proper performance of the Federal Reserve's functions; including whether the information has practical utility;

(b) the accuracy of the Federal Reserve's estimate of the burden of the proposed information collection, including the validity of the methodology and assumptions used;

(c) ways to enhance the quality, utility, and clarity of the information to be collected; and

(d) ways to minimize the burden of information collection on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Comments must be submitted on or before January 2, 1996.

ADDRESSES: Comments, which should refer to the OMB control number (or Agency form number in the case of a new information collection that has not yet been assigned an OMB number), should be addressed to Mr. William W. Wiles, Secretary, Board of Governors of the Federal Reserve System, 20th and C Streets, N.W., Washington, DC 20551, or delivered to the Board's mail room between 8:45 a.m. and 5:15 p.m., and to the security control room outside of those hours. Both the mail room and the security control room are accessible from the courtyard entrance on 20th Street between Constitution Avenue and C Street, N.W. Comments received may be inspected in room M-P-500 between 9:00 a.m. and 5:00 p.m., except as provided in section 261.8 of the Board's Rules Regarding Availability of Information, 12 CFR 261.8(a).

A copy of the comments may also be submitted to the OMB desk officer for the Board: Milo Sunderhauf, Office of Information and Regulatory Affairs, Office of Management and Budget, New Executive Office Building, Room 3208, Washington, DC 20503.

FOR FURTHER INFORMATION CONTACT: A copy of the Paperwork Reduction Act Submission (OMB 83-I), supporting statement, and other documents that will be placed into OMB's public docket files once approved may be requested from the agency clearance officer, whose name appears below. Mary M. McLaughlin, Federal Reserve Board Clearance Officer (202-452-3829), Division of Research and Statistics, Board of Governors of the Federal Reserve System, Washington, DC 20551. For the hearing impaired only, Telecommunications Device for the Deaf (TDD) Dorothea Thompson (202-452-3544), Board of Governors of the Federal Reserve System, Washington, DC 20551.

Proposal to approve under OMB delegated authority the extension, without revision, of the following reports:

1. Report title: Disclosure Requirements in Connection with Regulation CC to implement the Expedited Funds Availability Act
Agency form number: None
OMB control number: 7100-0235
Frequency: Event-generated
Reporters: State member banks
Annual reporting hours: 171,900
Estimated average hours per response: Notice of exceptions, Case by case hold

notice, or Notice to potential customers upon request: 3 minutes; Notice posted where consumers make deposits: 15 minutes; Notice of changes in policy: 20 hours; and Annual notice of new ATMs: 5 hours.

Number of respondents: 975
Small businesses are affected.

General description of report: This information collection is mandatory (12 U.S.C. § 4008). No issue of confidentiality under the Freedom of Information Act arises.

Abstract: The third party disclosure requirements are intended to alert consumers about their financial institutions' check-hold policies and to help prevent unintentional (and costly) overdrafts. Most disclosures must be made within one banking day of the triggering event. Disclosures resulting from a policy change must be made thirty days before action is taken, or within thirty days if the action makes funds available more quickly. Model forms, clauses, and notices are appended to the regulation to provide guidance.

The Board's Regulation CC applies to all depository institutions, not just state member banks. However, under Paperwork Reduction Act regulations, the Federal Reserve accounts for the burden of the paperwork associated with the regulation only for state member banks. Other agencies account for the Regulation CC paperwork burden on their respective constituencies.

2. Report title: Recordkeeping and Disclosure Requirements in Connection with Regulation DD (Truth in Savings)
Agency form number: None
OMB control number: 7100-0271
Frequency: Event-generated
Reporters: State member banks
Annual reporting hours: 1,447,225
Estimated average hours per response: Complete account disclosures: 5 minutes; Subsequent change in terms notice, Subsequent prematurity notice, or Periodic statement: 1 minute; and Advertising: 1 hour.

Number of respondents: 975
Small businesses are affected.

General description of report: This information collection is mandatory (12 U.S.C. § 4308). No issue of confidentiality under the Freedom of Information Act arises.

Abstract: Regulation DD implements the Truth in Savings Act (12 U.S.C. § 4301 *et seq.*). The act and regulation require depository institutions to disclose information such as fees and rates that apply to deposit accounts. Depository institutions that provide periodic statements are required to include information about fees imposed, interest earned, and the annual

percentage yield (APY) during those statement periods. The substantive requirements of the act and regulation mandate the methods by which institutions determine the balance on which interest is calculated. Rules dealing with advertisements for deposit accounts are also included in the regulation. Model clauses and sample forms are appended to the regulation to provide guidance. Depository institutions are required to retain records as evidence of compliance.

The Board's Regulation DD applies to all depository institutions, not just state member banks. However, under Paperwork Reduction Act regulations, the Federal Reserve accounts for the burden of the paperwork associated with the regulation only for state member banks. Other agencies account for the Regulation DD paperwork burden on their respective constituencies.

This extension of authority under the Paperwork Reduction Act has no bearing on the pending rulemaking related to the method of APY calculation.

3. Report title: Recordkeeping Requirements in Associated with the Real Estate Lending Standards Regulation (12 CFR 208.51)

Agency form number: None
OMB control number: 7100-0261
Frequency: Annual

Reporters: State member banks
Annual reporting hours: 39,000
Estimated average hours per response: 40

Number of respondents: 975
Small businesses are affected.

General description of report: This information collection is mandatory (12 U.S.C. § 1828(o)). No issue of confidentiality under the Freedom of Information Act normally arises.

Abstract: This information collection is a recordkeeping requirement contained in the Board's Regulation H (12 CFR 208.51) that implements section 304 of the Federal Deposit Insurance Corporation Improvement Act of 1991 (FDICIA). The requirement is to adopt and maintain a written real estate lending policy. There is no formal reporting form and the information is not submitted to the Federal Reserve.

Secretary of the Board.
