

5. In § 301.50-10, paragraph (c), the introductory text is revised to read as follows:

**§ 301.50-10 Treatments.**

\* \* \* \* \*

(c) Any one of these fumigation treatments is authorized for use on cut pine Christmas trees, pine wreaths and garlands, and raw pine materials for pine wreaths and garlands. Cut pine Christmas trees, pine wreaths and garlands, and raw pine materials for pine wreaths and garlands may be treated with methyl bromide at normal atmospheric pressure as follows:

**Federal Crop Insurance Corporation**

**7 CFR Part 443**

**RIN 0563-AA78**

**Hybrid Seed Crop Insurance Regulations**

**AGENCY:** Federal Crop Insurance Corporation.

**ACTION:** Final rule.

**SUMMARY:** The Federal Crop Insurance Corporation (FCIC) hereby adopts regulations for specific crop provisions to insure hybrid seed effective for the 1994 and succeeding crop years. The intended effect of this action is to incorporate the late and prevented planting coverage into the hybrid seed crop insurance policy.

**EFFECTIVE DATE:** November 30, 1993.

**FOR FURTHER INFORMATION CONTACT:** Diana Moslak, Federal Crop Insurance Corporation, Regulatory and Procedural Development Staff, Suite 500, 2101 L Street, N.W., Washington, D.C., 20037. Telephone (202) 254-8314.

**SUPPLEMENTARY INFORMATION:** This action has been reviewed under United States Department of Agriculture ("USDA") procedures established by Executive Order 12866 and Departmental Regulation 1512-1. This action does not constitute a review as to the need, currency, clarity, and effectiveness of these regulations under those procedures. The sunset review date established for these regulations is October 1, 1997.

This rule has been determined to be "exempt" for the purposes of Executive

Order 12866 and, therefore, has not been reviewed by the Office of Management and Budget ("OMB").

The provisions set forth in this rule do not impose burdensome information collection requirements that require clearance by the Office of Management and Budget under the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35).

It has been determined under section 6(a) of Executive Order 12612, Federalism, that this rule does not have sufficient federalism implication to warrant the preparation of a Federalism Assessment. The policies and procedures contained in this rule will not have a substantial direct effect on states or their political subdivisions, or on the distribution of power and responsibilities among the various levels of government.

This regulation will not have a significant impact on a substantial number of small entities. The amount of work required of the insurance companies delivering these policies and the procedures therein will not increase from the amount required to deliver previous policies. This action, in fact, reduces the paperwork burden on the insured farmer and insurance providers. Therefore, this action is determined to be exempt from the provisions of the Regulatory Flexibility Act (5 U.S.C. 605) and no Regulatory Flexibility Analysis was prepared.

This program is listed in the Catalog of Federal Domestic Assistance under No. 10.450.

This program is not subject to the provisions of Executive Order 12372 which require intergovernmental consultation with state and local officials. See the Notice related to 7 CFR part 3015, subpart V, published at 48 FR 29115, June 24, 1983.

The Office of the General Counsel has determined that these regulations meet the applicable standards provided in subsections 2(a) and 2(b)(2) of Executive Order 12778. The provisions of this rule are retroactively effective as of November 30, 1993, and will preempt state and local laws to the extent such state and local laws are inconsistent herewith. The administrative appeal provisions promulgated by the National Appeals Division under Pub. L. No. 103-354 must be exhausted before judicial action may be brought.

This action is not expected to have any significant impact on the quality of the human environment, health, and safety. Therefore, neither an Environmental Assessment nor an Environmental Impact Statement is needed.

On Wednesday, December 22, 1993, FCIC published an interim rule in the Federal Register at 58 FR 67644, to amend the Hybrid Seed Crop Insurance Regulations (7 CFR part 443) by incorporating late and prevented planting provisions into that policy, effective for the 1994 and succeeding crop years. Because this rule benefited the insured by improving coverage for policyholders, good cause was found to make the interim rule retroactively effective as of November 30, 1993.

Following publication of the interim rule, the public was afforded 60 days to submit written comments, data and opinions, but none were received. Therefore, the interim rule as published on December 22, 1993, at 58 FR 67644 is hereby adopted as a final rule.

List of Subjects in 7 CFR Part 443

Crop insurance, Hybrid seed.

**Final Rule**

Accordingly, pursuant to the authority contained in the Federal Crop Insurance Act, as amended (7 U.S.C. 1501 *et seq.*) and for the reasons set forth in the preamble, the Federal Crop Insurance Corporation hereby adopts as a final rule, the interim rule as published at 58 FR 67644 on December 22, 1993.

Done in Washington, D.C., on October 25, 1995.

Kenneth D. Ackerman,

*Manager, Federal Crop Insurance Corporation.*

**DEPARTMENT OF TRANSPORTATION**

**Federal Aviation Administration**

**14 CFR Part 39**

**[Docket No. 94-ANE-31; Amendment 39-9408; AD 95-22-01]**

**Airworthiness Directives; Aerospace Lighting Corporation Power Units and Power Supplies**

**AGENCY:** Federal Aviation Administration, DOT.

**ACTION:** Final rule.

**SUMMARY:** This amendment supersedes an existing airworthiness directive (AD), applicable to certain Aerospace Lighting Corporation (ALC) lamp connectors and fluorescent lamps, that currently requires an inspection, and adjustment or replacement of improperly installed, damaged, or improperly configured lamp connectors and fluorescent lamps used in cabin fluorescent lighting
