SUPPLEMENTARY INFORMATION:

Title: Prospective Large Power Service.

OMB Control Number: 0572-0001.

Type of Request: Extension and revision of a currently approved information collection.

Abstract: The Rural Utilities Service (RUS) makes mortgage loans and loan guarantees to electric systems to provide and improve electric service in rural areas pursuant to the Rural Electrification Act of 1936, as amended (7 U.S.C. 901 *et seq.*) (RE Act). RUS electric borrowers often enter into special contracts with commercial and industrial consumers for the retail sale

of electricity. These contracts typically require extensions to the borrower's electric system which may be financed with RUS loan funds, debt financing from another source, the borrower's own funds, sometimes called general funds, and/or funds provided by the consumer.

RUS review of these contracts is intended to protect the interests of the government as a secured lender and to foster the purposes of the RE Act. RUS Form 170, Prospective Large Power Service, provides RUS with information needed for this review. RUS is considering comments on a proposed rule published July 20, 1995, at 60 FR 36904, that would significantly reduce the number of retail contracts that require RUS approval. RUS is currently reexamining its policies and procedures for review of these contracts.

Bureau of Export Administration

[Docket Number AB1-95]

Stair Cargo Services, Inc.; Final Decision and Order Affirming Order of the Administrative Law Judge

Before me for decision is the appeal of Respondent, Stair Cargo Services, Inc. (Stair Cargo), from the decision and order of the Administrative Law Judge (ALJ). The ALJ found that Stair Cargo violated Sections 769.2(d)(1)(iv) and 769.6 of the Export Administration Regulations (15 CFR 769.2(d)(1)(iv) and 769.6) (the "Regulations") when it submitted information for the Kuwait boycott office about one of the

manufacturers in a shipment that Stair Cargo was forwarding to Kuwait. For violating § 769.2(d)(1)(iv), the ALJ assessed a penalty of \$8,000 and for violating § 769.6, Stair Cargo was assessed a penalty of \$2,000, both pursuant to § 788.3(4) of the Regulations.

I. Introduction

On December 17, 1993, the Office of Antiboycott Compliance (OAC) issued a charging letter alleging that, during December of 1988, Stair Cargo committed one violation of § 769.2(d)(1)(iv) and one violation of § 769.6 of the Regulations, issued pursuant to the Export Administration Act of 1979, as amended (hereinafter referred to as the "Act") (currently codified at 50 U.S.C. app. 2401-2420 (1991, Supp. 1993, and Pub. L. No. 103-277, July 5, 1994).¹ Specifically, the charging letter alleged that Stair Cargo intentionally complied with an unsanctioned foreign boycott in connection with activities involving the sale or transfer of goods (including information) between the United States and Kuwait and that these activities occurred in the foreign commerce of the United States.

Section 769.2(d)(1)(iv) provides that "(1) No United States Person may furnish or knowingly agree to furnish information concerning his or any other person's past, present or proposed business relationships—(iv) With any other person who is known or believed to be restricted from having any business relationship with or in a boycotting country."

Section 769.6(a)(1) provides that "(1) A United States person who receives a request to take any action which has the effect of furthering or supporting a restrictive trade practice or boycott fostered or imposed by a foreign country against a country friendly to the United States or against any United States person must report such request to the Department of Commerce in accordance with the requirements of this section."

OAC and Stair Cargo, on March 10, 1995 and March 16, 1995, respectively, requested that issues raised by the charges be resolved on the written record, without an oral hearing. OAC filed a reply on March 31, 1995 and Stair Cargo filed one on April 3, 1995. On April 24, 1995, Stair Cargo filed a motion for an oral argument which was denied by the ALJ.

¹ The Export Administration Act expired on August 20, 1994. Executive Order 12924 (59 FR 43437, August 23, 1994) continued the Regulations in effect under the International Emergency Economic Powers Act (50 U.S.C. app. 1701-1706 (1991)).
