Consolidated Natural Gas Transmission, Clarksburg, WV and Hope Gas, Inc., Clarksburg, WV; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on September 26, 1995, applicable to all workers at Consolidated Natural Gas Transmission located in Clarksburg, West Virginia. The notice was published in the Federal Register on October 5, 1995 (60 FR 52213).

At the request of the company and State Agency, the Department reviewed the certification for workers of the subject firm. The findings show that Hope Gas, Inc., also located in Clarksburg, West Virginia, is a subsidiary of Consolidated Natural Gas Company. The company reports worker separations have occurred at Hope Gas, Inc. The Department is amending the certification to include these workers.

The intent of the Department's certification is to include all workers of Consolidated Natural Gas Transmission adversely affected by increased imports of natural gas.

The amended notice applicable to TA-W-31,351 is hereby issued as follows:

All workers of Consolidated Natural Gas Transmission (TA-W-31,351) and Hope Gas, Inc. (TA-W-31,351A), Clarksburg, West Virginia, who became totally or partially separated from employment on or after August 9, 1994 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974.

Signed at Washington, DC, this 24th day of October 1995.

Russell T. Kile

Acting Program Manager, Policy and Reemployment Services, Office of Trade Adjustment Assistance.

Fina Oil and Chemical Company Exploration and Production Group West Texas Division Operating at Various Locations in Texas; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on August 25, 1995, applicable to all workers of the West Texas Division of Fina Oil and Chemical Company operating at locations in Texas and Louisiana. The notice was published in the Federal Register September 19, 1995 (60 FR 48526).

At the request of the company, the Department is amending the certification to include workers of American Petrofina Pipeline, which is a wholly-owned subsidiary of the subject firm. The workers, located at various sites in Texas, are engaged in employment related to the production of crude oil and natural gas.

The intent of the Department's certification is to include all workers of Fina who were adversely affected by imports. The Department's review of the certification shows that when the certification was issued, Louisiana should have been identified as a

separate location. Therefore, the certification is also amended to separately identify the Fina Oil operations in Louisiana as TA–W–31,246A.

All workers of Fina Oil and Chemical Company with locations in Texas (TA–W–31,246) and Louisiana (TA–W–31,246A), and American Petrofina Pipeline operating at various locations in Texas (TA–W–31,246B) who became totally or partially separated from employment on or after October 8, 1994 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 20th day of October 1995.

Russell T. Kile,

Acting Program Manager, Policy and Reemployment Service, Office of Trade Adjustment Assistance.

G.E. Power Systems Including Corporate Research and Development and G.E. Computer Services, Schenectady, NY, and G.E. Power Systems, Fitchburg, MA; Amended Certification Regarding Eligibility To Apply for Worker Adjustment Assistance

In accordance with Section 223 of the Trade Act of 1974 (19 U.S.C. 2273) the Department of Labor issued a Certification of Eligibility to Apply for Worker Adjustment Assistance on May 18, 1995, applicable to all workers of G.E. Power Systems, Schenectady, New York. The certification was amended June 9, 1995, and September 21, 1995 to include other divisions of the firm. The amended notices were published in the Federal Register on June 21, 1995 (60 FR 32347), and October 2, 1995 (60 FR 51,500), respectively.

At the request of petitioners, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations have occurred at G.E. Power Systems in Fitchburg, Massachusetts. The workers are engaged in employment related to the production of steam turbines and generators.

The intent of the Department's certification is to include all workers of G.E. Power Systems adversely affected by imports.

The amended notice applicable to TA-W-30,880 is hereby issued as follows:

"All workers of G.E. Power Systems, including Corporate Research and Development, and workers of G.E. Capital Computer Services providing support services related to the production of steam turbines and generators at G.E. Power Systems, Schenectady, New York (TA–W–30,880); and G.E. Power Systems, Fitchburg, Massachusetts (TA–W–30,880A) who became totally or partially separated from employment on or after November 19, 1993 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 20th day of October 1995.
