

At the request of petitioners, the Department reviewed the certification for workers of the subject firm. New findings show that worker separations have occurred at G.E. Power Systems in Fitchburg, Massachusetts. The workers are engaged in employment related to the production of steam turbines and generators.

The intent of the Department's certification is to include all workers of G.E. Power Systems adversely affected by imports.

The amended notice applicable to TA-W-30,880 is hereby issued as follows:

"All workers of G.E. Power Systems, including Corporate Research and Development, and workers of G.E. Capital Computer Services providing support services related to the production of steam turbines and generators at G.E. Power Systems, Schenectady, New York (TA-W-30,880); and G.E. Power Systems, Fitchburg, Massachusetts (TA-W-30,880A) who became totally or partially separated from employment on or after November 19, 1993 are eligible to apply for adjustment assistance under Section 223 of the Trade Act of 1974."

Signed at Washington, D.C. this 20th day of October 1995.
