6. The configuration of any larger mining unit of which the tract may be a part.
7. Restrictions to mining which may affect coal recovery.
8. The price that the mined coal would bring when sold.
9. Costs, including mining and reclamation, of producing the coal and the time of production.

11. Depreciation and other tax accounting factors.
12. The value of any surface estate where held privately
13. Documented information on the terms and conditions of recent and similar coal land transactions in the lease sale area.
14. Any comparable sales data of similar coal lands.

DATES: The public hearing will be held at the Carbon County Courthouse, Commission Chamber, 120 East Main, Price, Utah, at 7:00 p.m. on December 6, 1995.
