**[AAG/A Order No. 112-95]**

**Privacy Act of 1974 as Amended by the Computer Matching and Privacy Protection Act of 1988**

This notice is published in the Federal Register in accordance with the requirements of the Privacy Act, as amended by the Computer Matching and Privacy Protection Act of 1988 (CMPPA) (5 U.S.C. 552a(e)(12)). The Department of Justice (DOJ) proposes to participate with the United States Postal Service (USPS) in a computer matching program. The matching activity will enable the DOJ to determine whether a delinquent debtor whose debt has been referred to the DOJ for enforced collection action is also a current or former USPS employee whose salary or other federal benefit is subject to offset to satisfy the delinquent debt.

Legal authority for conducting the matching program is supplied by the following statutes and regulations, applicable to the parties, which authorize agencies to collect, or refer to other agencies for collection, delinquent debts owed to the United States and/or which specifically authorize collection by salary or other administrative offset to satisfy such debts: The Debt Collection Act of 1982 (Pub. L. 97-365), 31 U.S.C. Chapter 37, Subchapter I (General) and Subchapter II (Claims of the United States Government), 3711 Collection and Compromise, 3716 Administrative Offset, 5 U.S.C. 5514(a) and note (Installment Deduction for Indebtedness (Salary Offset)); 4 CFR ch. II, Federal Claims Collection Standards (General Accounting Office—Department of Justice); and Office of Management and Budget (OMB) Circular No. A-129 (Revised), "Policies for Federal Credit Programs and Non-Tax Receivables," 58 FR 5776 (January 22, 1993), directing agencies to make arrangements for annual matching of their delinquent debtor files against federal employment rosters.

The records to be used in the match (including the Privacy Act systems of records) and the roles of the matching participants are described as follows:

1. The DOJ will use records from its system, "Debt Collection Offset Payment System, Justice/JMD-009," which contains records of about 50,000 delinquent debtors. Routine use (b) of that system which was last published at 59 FR 17,111, on April 11, 1994, permits the disclosure.

2. The USPS will use records from its system "Finance Records—Payroll System, USPS 050.020," containing records of about 800,000 employees. Routine use 24 of USPS 050.020, which last appeared at 57 FR 57515 on December 4, 1992, covers the disclosure.

The USPS, the source agency in this match, will compare against its data base of employee records a data extract provided by the DOJ on magnetic tape and containing the name and SSN of each delinquent debtor. For each "hit" (individual common to both files, based on matching SSN's), USPS will provide to the DOJ, the recipient agency in the match, the name, SSN, date of birth, home address, place of work and employee type (e.g. permanent or temporary). After independent verification of the matched data and appropriate notice to the matching subjects, the DOJ will request that USPS offset the salary of individuals verified as being both USPS employees and delinquent debtors not in a repay status.

Matching activity will be effective on the expiration of 30 days after publication of this notice of the proposed matching activity in the Federal Register or 40 days after the Congress and OMB have been notified of the program, whichever is later, and will continue for a period of 18 months from the effective date, unless extended by the Data Integrity Boards of the respective agencies.

The matching agreement and the required report have been provided to OMB and the Congress in accordance with 5 U.S.C. 552a(o)(2)(A) and (r). Inquiries may be addressed to Patricia E. Neely, Program Analyst, Systems Policy Staff, Justice Management Division, Department of Justice, Room 850, Washington Center Bldg., Washington, DC 20530.

Dated: October 30, 1995.
