**SUPPLEMENTARY INFORMATION:** On September 29, 1995 (60 FR 50694), HUD published a FY 1995 HBCU NOFA announcing up to \$1.5 million of FY 1995 funding for Historically Black Colleges and Universities (HBCU) to

undertake jointly funded Community Development Block Grant (CDBG) projects with units of general local government (UGLG). The application due date given in that publication is November 28, 1995. In order to provide more time for the preparation of applications under the NOFA, which differed in its focus from previous HBCU NOFAs, this notice extends the application due date to January 12, 1996.

In response to inquiries concerning the HBCU UGLG NOFA published on September 29, 1995, HUD in this notice is also providing the following clarification of terms used in that NOFA:

The joint program efforts to be undertaken by HBCUs with units of general local governments to establish multiple use community services facilities on HBCU campuses are joint *new construction or major reconstruction* projects. This clarification, emphasizes, and is consistent with, the statement in the third column on p. 50694 of the NOFA: "Those applicants planning to use funds for the provision of public services are bound by the statutory requirement that not more than 15% of the total grant amount be used for public service activities."

Additional clarification is provided with respect to the definition of "campus." As used in the NOFA, "campus" means the grounds and buildings of a university or college.

*Assistant Secretary for Community Planning and Development.*
