[Docket No. RP94-220-009]

Northwest Pipeline Corporation; Notice of Proposed Change in FERC Gas Tariff

November 2, 1995.

Take notice that on October 31, 1995, Northwest Pipeline Corporation (Northwest) tendered for filing as part of its FERC Gas Tariff, the following tariff sheets with a proposed effective date of November 1, 1995:

Third Revised Volume No. 1

Second Revised Sixth Revised Sheet No. 5
First Revised Fifth Revised Sheet No. 5-A
Second Revised Fifth Revised Sheet No. 8

Original Volume No. 2

Second Revised Twentieth Revised Sheet No. 2

First Revised Fifteenth Revised Sheet No. 2.1
First Revised Nineteenth Revised Sheet No. 2-A

Northwest states that the purpose of this filing is to place into effect a \$1,000,000 rate reduction pending final resolution of the general rate proceeding in this docket. The rate reduction is being made in conjunction with the filing of a Joint Offer of Settlement ("Settlement") that is proposed to resolve, or put in place procedures to resolve, all issues in this docket. Northwest anticipates filing the Settlement with the Presiding Administrative Law Judge on or around November 6, 1995. As a part of the Settlement, Northwest is classifying \$3,000,000 annually to the commodity charge component of its transportation rates for the period of November 1, 1995 through January 31, 1996. The effect of the cost classification is to increase the commodity charges and decrease the reservation charges for Northwest's transportation rates. The instant filing reflects the changes that result from the classification change and reduces the overall cost of service underlying Northwest's transportation rates as set forth above. Other rate changes contemplated by the Settlement will not be put into place until a final order approving the Settlement has been issued.

Northwest states that a copy of this filing has been served upon all intervenors in Docket No. RP94-220.

Any person desiring to protest said filing should file a protest with the

Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, DC 20426, in accordance with Sections 385.211 of the Commission's Rules of Practice and Procedure. All such protests should be filed on or before November 9, 1995. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room.
