**Brown Shoe Company/Brown Group,
Incorporated Steelville, Missouri;
Notice of Termination of Investigation**

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated for workers of the subject firm. The Department inadvertently issued a certification on October 19, 1995 irrespective of the fact that the workers were under an existing certification. The notice will soon be published in the Federal Register. This notice corrects the above noted inadvertent action.

On October 4, 1994, under petition TA-W-30,275, the Department certified all workers of Brown Shoe Company in Steelville, Missouri engaged in the production of shoe components.

Therefore, since the subject workers were previously certified, further investigation in TA-W-31,463B would serve no purpose and the investigation has been terminated.

Signed at Washington, D.C., this 31st day of October, 1995.

Incorporated, Pocahontas, Arkansas
(Cutting Facility); Notice of
Termination of Investigation**

Pursuant to Section 221 of the Trade Act of 1974, an investigation was initiated for workers of the subject firm. The Department inadvertently issued a certification on October 19, 1995 irrespective of the fact that the workers were under an existing certification. The notice will soon be published in the Federal Register. This notice corrects the above noted inadvertent action.

On July 22, 1994, under petition TA-W-29,804, the Department certified all workers of Brown Shoe Company in Pocahontas, Arkansas engaged in the production of shoe parts and auxiliary stitching of shoes, but denied eligibility to those workers in the shoe factory. The shoe factory workers were denied based on an increased level of production during the relevant period of the investigation.

Therefore, since the subject workers were previously certified or, in the case

of the shoe factory workers, determined otherwise ineligible, further investigation in TA-W-31,461A would serve no purpose and the investigation has been terminated.

Signed at Washington, D.C., this 31st day of October, 1995.
